TEACHER COURSE - EXCEPTION REPORTS

67. If Survey Period Code equals 2 or 3, for each Teacher Course record with a Scheduling Method equal to A, there must exist at least one other Teacher Course record with a different Course/Section combination and the same Scheduling Method (at least 2 A's), District Number, Current Instruction/Service; School Number, Current Instruction/Service; Period Number; Classroom Identification/FISH Number; Survey Period Code and Fiscal Year. -exception report-

Example:

The first and second Teacher Course records listed below would pass this edit. The third record listed below would not pass this edit because another Teacher Course record based on the indicated fields of the edit does not exist.

The following records exist for Classroom Identification/FISH Number 12345A123451234512345:

District Number	School Number	Current Instr./Service	Current Instr./Service	Section Course Number	Social Period Number	Schedul- Security Number	Survey Scheduling Method	Period Code	Fiscal Year
62	0151	5010040	01023	0104	111223333	A	3	****	
62	0151	5010040	01055	0104	444556666	A	3	****	
* 62	0151	5012000	01066	0506	777889999	A	3	****	

**** = Valid fiscal year for data submission.

DISTRICT RESPONSIBILITY

The district must verify whether the Teacher Course record is valid, and, if so, whether a matching Teacher Course record is needed based on District Number, Current Instruction/Service; School Number, Current Instruction/Service; Period Number; Classroom Identification/FISH Number, Survey Period Code and Fiscal Year.
