THE FOLLOWING CHANGES ARE FOR FISCAL YEAR

08-09

11.   Social Security Number must be numeric and greater than zero unless it is a Staff Number Identifier and the first two positions are "CS" and the last seven positions are numeric. Nine character SSN's must be left justified with a trailing blank. -record rejected-

EXAMPLE

The first and fifth records would be loaded to the data base assuming no other reject rule would cause their rejection. The second, third and fourth records would be rejected. The second record would be rejected because the Social Security Number is not numeric. The third record would be rejected because the Social Security Number is not left justified. The fourth record would be rejected because the Social Security Number contains a blank.
