

# Average Annualized Earnings by Education Level

2015-16 Graduates/Completers Not Continuing Education  
with Florida Full-Time Employment - Fall 2016

Annualized earnings in this graph are an estimation based on Florida full-time employment during the 4<sup>th</sup> quarter of 2016. The data does not include individuals found continuing education. Full-time employment is determined when an individual's 4<sup>th</sup> quarter wages are equal to at least the hourly minimum wage of \$8.05, working 40 hours per week for 13 weeks x 4 quarters or \$16,744 annually.

The High Skill/High Wage threshold uses the same calculation but with an hourly minimum wage of \$21.56 or \$44,844 annually.
