1. Pursuant to s. 1003.03(4)(d), F.S., the Commissioner must prepare a reallocation of the funds made available for the charter schools that have fully met the class size requirements. The funds shall be reallocated by calculating an amount of up to 5 percent of the base student allocation multiplied by the total charter school's FTE students. The reallocation total may not exceed 25 percent of the total funds reduced.

2. Pursuant to s. 1003.03(4)(e), F.S., for charter schools that submit to the Commissioner by February 1 a plan certified by the charter school board, the funds remaining after the reallocation shall be added back to the district's class size categorical allocation based on each qualifying charter school's proportion of the total reduction for all qualifying charter schools for which a reduction was calculated.
