

ANN SCOTT
FIRST LADY OF FLORIDA

Dear Teachers and Administrators,

This school year, I want to personally invite you and your students to tour the Florida Governor's Mansion and learn more about the rich history of our great state. Located just ten blocks north of the Florida State Capitol, Rick and I are proud to call the Mansion home.

Highlights of the tour include visits to all public rooms in the house, art work on loan from museums across the state, and various mementos highlighting milestone moments of Florida's history.

Students and families are welcome to visit the Governor's Mansion any time throughout the year, during normal business hours. Please make reservations at least two weeks in advance by contacting the Governor's Mansion curator, Carol Beck, at 850-717-9345. Additional resources including educational materials, lesson plans, and frequently asked questions are also available online at www.floridagovernorsmansion.com.

Finally, I would love the opportunity to visit your school, read to students, and answer their questions as I travel the state. If you would like to be added to my list of schools to visit, please contact Taylor Nash at 850-717-9341.

Thank you for all you do to help ensure that Florida's students are successful in school and in life.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann Scott".
