

EQUITY TRAINING AND MATERIALS *for* DISTRICT AND STATE COLLEGE CAREER AND TECHNICAL EDUCATION STAFF

The Florida Department of Education's Division of Career and Adult Education has partnered with the Florida Association for Career and Technical Education and the National Alliance for Partnerships in Equity to provide a menu of training and materials for district and state college counselors and CTE instructors and administrators aimed at supporting students seeking training in fields designated as nontraditional for their gender.

3 WAYS *to obtain Training and Materials*

01

ONLINE COURSE

Visit facte.coursestorm.com to register

Recorded training providing the ability to review at one's own pace and schedule, with a limited window of time to access them. These are one hour in length.
