**SUBJECT:** Institute for the Professional Development of Adult Educators

---

Greetings Colleagues:

As many of you know, the Institute for the Professional Development of Adult Educators (IPDAE) exists to provide adult education faculty and practitioners with the tools necessary to help students achieve their academic and career goals. It provides excellent toolkits, electronic resources, lessons, workshops and webinars. Please see the attached communication on “The Power of IPDAE: By Educators for Educators” – a webinar designed to provide an overview of all of the upcoming professional development offerings for 2020-2021. As we navigate the COVID pandemic, calibrating our teaching and education practices accordingly, I would strongly encourage you to rely on IPDAE to provide you/your district or college the support it needs. IPDAE is here to serve *you*.

If you have any questions about IPDAE, its professional development offerings, and/or integrating IPDAE’s resources into your own institution’s professional development division, please do not hesitate to contact June Rall at [jrall@irsc.edu](mailto:jrall@irsc.edu) or Carol Bailey, State Director for Adult Education, at [Carol.Bailey@fldoe.org](mailto:Carol.Bailey@fldoe.org).

Best,

Henry

Join us as we share some upcoming professional development offerings scheduled for 2020/21. We have ramped up our efforts and elevated our focus by being mindful of the COVID age we are all trying to navigate through. We are on track in taking steps to assist you as you begin your new academic year. Our work is intended to increase outcomes, success rates, retention and enrollment. Together we can work towards setting the path for our students to receive a world-class education and be prepared for thriving workforce and career opportunities.

You can check out more dates and other available webinars by simply going to the IPDAE website at [www.floridaipdae.org](http://www.floridaipdae.org) and selecting the "Event Calendar".

We look forward to your attendance.

Best Regards,

**Team IPDAE**
