

Statewide Email

DATE: October 12, 2020

FROM: Henry Mack, Chancellor, Career and Adult Education

TO: Florida College System Workforce Administrators

Via: Chancellor2@fldoe.org

SUBJECT: Request for Information on Industry Certification Reporting

Colleagues:

Industry certification data reporting is a critical component of indicators for the career and technical education (CTE) audit and Perkins V accountability measures. The Florida Department of Education is seeking additional information from Florida College System administrators to help in the development of reporting guidance.

A survey is available at the following link: <https://www.research.net/r/IndustryCertReporting>

Both Management Information System (MIS) coordinators (reports coordinators) and workforce education administrators are welcome to respond separately to this survey for their institution. For your convenience, a copy of the survey questions is attached (note that the actual survey will have skip logic); however, responses must be submitted using the survey link above. A response to the survey is requested **by October 30, 2020**.

Should you have any questions, please email Tara Goodman at tara.goodman@fldoe.org.

Regards,

Henry
