Mr. E. Wayne Gent, Superintendent
Palm Beach County School District
3340 Forest Hill Boulevard, C-316
West Palm Beach, Florida 33406

Dear Superintendent Gent:

This letter is to inform you of findings of noncompliance related to Palm Beach County School District’s 2014-15 exceptional student education self-assessment monitoring process, including validation by bureau staff and reassessment by the district. Records were reviewed for Department of Juvenile Justice, Evaluation, Development, Implementation and Secondary Transition. Findings of noncompliance were identified for two areas. Two prongs of corrective action are required: student-specific correction and demonstration of 100 percent compliance. Your district has completed both prongs of correction and no further corrective actions are required.

In addition to the self-assessment referenced above, a Matrix of Services review was required. The Palm Beach County School District was required to review 11 matrices for students reported at the 254 or 255 cost factors for weighted funding through the Florida Education Finance Program. No cost factor discrepancies were found in those records.

The following is a summary of the school district’s timely correction of student-specific findings of noncompliance.

Noncompliance by Student

	Number of Items	Percentage
Total Items Assessed	686	--
Noncompliant	15	2.2%
Timely Corrected	15	100%

We understand that the implementation of this self-assessment requires a significant commitment of resources and we appreciate the time and attention your staff has devoted to the process thus far. If you have questions regarding this process, please contact your district liaison for monitoring or Patricia Howell, program director, at 850-245-0475 or via email at patricia.howell@fldoe.org.
