Informational Items

National Association of School Nurses (NASN) Training Resources

The NASN is offering training for school nurse personnel and assistive personnel, who will be carrying out health tasks that should be carried out under the guidance of the school nurse or other health care clinician.

- Training for school nursing personnel, COVID-19: Epidemiology, Modes of Transmission and Protecting Yourself with PPE, is self-paced and at no cost to participants. For more information and to enroll in this course, go to <https://catalog.icrsncsbn.org/courses/working-modes-of-transmission-and-personal-protection-equipment>.
- Training for assistive personnel, is available on the Using Personal Protective Equipment (PPE) website, which contains a Centers for Disease Control and Prevention video and posters. Note that it will be important for assistive personnel to practice using the supplies several times to be able to calmly respond when the need arises. To view the training, go to <https://www.cdc.gov/coronavirus/2019-ncov/hcp/using-ppe.html>.
