# Weekly Memo

## Action Items

### Notices of Proposed Rule
These rule revisions are scheduled for the State Board of Education meeting on **July 15, 2020**. To view the following final proposed rules and submit comments, go to https://web02.fldoe.org/rules/.
- Rule 6A-1.09401, Florida Administrative Code (F.A.C.), Student Performance Standards
- Rule 6A-1.09422, F.A.C., Statewide, Standardized Assessment Program Requirements
- Rule 6A-6.0253, F.A.C., Diabetes Management

### Notice of Rule Development
The following rule will have a rule development workshop on **June 23, 2020**, at 10 a.m. Participants may join via telephone at 800-367-2403, code 8771629, or via Adobe room at http://tlc-flmtss.adobeconnect.com/auditorium. To view the draft and submit comments, go to https://web02.fldoe.org/rules/.
- Rule 6A-4.0311, F.A.C., Specialization Requirements for Certification in School Psychologist (Grades PK-12) – Specialty Class Beginning July 1, 1992

### Arts4All Florida and Title IV, Part A Virtual Summer Teacher Institutes for Art
Arts4All Florida and Title IV, Part A have partnered to offer two new summer Virtual Art and Technology Teacher Institutes. These institutes are designed to teach educators how to use technology to teach art to students with and without disabilities.
- **Tinkercad 3D Modeling**: Learn the basics of 3D design using Tinkercad, a no-cost, cloud-based software, which will be on **July 6, 8, 10, 13, 15, and 17, 2020**, all sessions are 9:30-11 a.m. EST
- **CoSpaces VR & AR Design:** Learn the basics of designing for Virtual Reality and the Merge Cube (Augmented Reality) using CoSpaces, which will be on **July 20, 22, 24, 27, 29, and 31, 2020**, all sessions are 9:30-11 a.m. EST

These trainings are at no cost and are open to any public or private school teacher in Florida. Registration opens **June 8, 2020**, for teachers in rural counties and **June 15, 2020**, for teachers in all other counties. The registration deadline is **June 22, 2020**. For more information, see the attached documents. To register, go to https://www.florida-title-iv-part-a.com/arts4all/. For questions, contact Jennifer Sabo at jsabo@usf.edu.

*Join us as we explore using technology to teach art to students with and without disabilities!*

## Tinkercad 3D Modeling
**July 6, 8, 10, 13, 15, and 17; All sessions are 9:30-11 a.m. (EST)**

Learn the basics of 3D design using Tinkercad, a free, cloud-based software. In this training you will learn the basics of Tinkercad and explore tools and techniques for building lessons that utilize 3D modeling to enhance STEAM learning for students with and without disabilities. A discussion on how to use this software for remote learning will be included. This class is appropriate for classroom teachers of all areas who are just beginning working in 3D modeling and printing.

## CoSpaces VR & AR Design
**July 20, 22, 24, 27, 29, and 31; All sessions are 9:30-11 a.m. (EST)**

Learn the basics of designing for Virtual Reality and the Merge Cube (Augmented Reality) using CoSpaces. In this training you will learn the basics of CoSpaces and explore tools and techniques for building lessons that will have your students designing virtual worlds, animating, and coding. A discussion on how to use this software for remote learning will be included. This class is appropriate for classroom teachers of all areas who are just beginning working in CoSpaces.

**Cost:** Free
**Location:** Virtual- links will be sent the week before class starts
**Tech Requirements:** You must have access to a computer with reliable internet. We highly suggest using a mouse instead of a trackpad.
**Register at:**
https://www.florida-title-iv-part-a.com/arts4all/
Registration opens June 8th for rural counties and June 15th for all other counties
**Questions:** Contact Jennifer Sabo at jsabo@usf.edu or Cassandra Brown at Cassandra.Brown@fldoe.org

**Please note:**

- Pre-institute work will be sent to teachers one to two weeks before the start of the training which MUST be completed before the first class.

- Between virtual sessions and homework, please plan on 12 hours of work for each training.

For specific access information, accommodation requests, and alternative formats, please contact jsabo@usf.edu.

# Virtual Art and Technology Teacher Institutes

*Join us as we explore using technology to teach art to students with and without disabilities!*

## Music for All
## Introduction to Access and Differentiated Instruction

This hands-on virtual training is designed for elementary and middle-school music teachers who want to become more confident including students with disabilities in their music classes. Participants will explore the Florida Access Points for music and how music lessons can be differentiated to ensure all learners can participate. Teachers will also become familiar with ways you can use an iPad as a musical instrument to bring out the expressive musical abilities of all learners. If you do not have access to an iPad or iPhone, we have loaner devices available.

**Date and Time:** July 21st, 1-5:30 p.m. EST
**Cost:** Free
**Location:** Virtual - links will be sent the week before class starts
**Tech Requirements:**

- Participants must have access to a computer with reliable internet.
- Participants must have access to an iPad and be able to download Thumbjam and Garageband. If you do not have an iPad, loaner devices are available. Please note in your registration if you need to borrow an iPad.

**Register at:** https://www.florida-title-iv-part-a.com/arts4all/
*Registration opens June 12th for rural counties and June 19th for all other counties.*

**Questions?** Contact Jennifer Sabo at jsabo@usf.edu or Cassandra Brown at Cassandra.Brown@fldoe.org

For specific access information, accommodation requests, and alternative formats, please contact jsabo@usf.edu.
