Farewell to the Chief

Our bureau chief, Monica Verra-Tirado, has accepted a position as the Hillsborough School's Chief of Equity and Diversity in the Superintendent's Cabinet. Monica has been a dedicated and passionate leader who has made a positive impact for students throughout the state of Florida.

Monica accomplished so much during her time as bureau chief. She was especially proud of all of the work done at the state, district and school levels that raised the graduation rate of students with disabilities to 81% in 2018-19, which reflects an increase of 32 percentage points since the 2011-12 school year. The BEESS family is very sad to see Monica leave, but we know that she is going to have a positive impact for all students within the Hillsborough School District. Thank you for all that you have done Monica! We will continue your great work.
