- (1) September's allocation is based upon reported FTEs from the most recent student enrollment survey and may differ from previous distributions.
- (2) Adjustments have been made to reflect school closures. A district that received funds for a charter school that was closed in July or August of 2005 will have their allocation reduced by such amount (for this month only).
- (3) Funds were not disbursed to charter schools absent of a capital outlay plan and will resume once these forms are complete. These schools are shaded in blue.
