

2017-2018 21st CCLC DELIVERABLE SUMMATIVE EVALUATION REPORT REPORTING REQUIREMENTS: GRANT YEARS 1, 3, & 4

REQUIREMENTS

The Summative Evaluation Report must be submitted via email to the program's respective Program Development Specialist by **August 15, 2018**. The Summative Evaluation Report must be consistent with the operations, approved goals and objectives, measures, and data collection plan detailed in the grant application.

Reporting Period

The summative report will include data for the Summer of 2017 and the 2017-2018 School Year. DO NOT report data for Summer 2018 in this year's Summative Evaluation Report. Summer 2018 data will be included in next year's report.

Note: Subrecipients in their first year of programming (i.e. Cohort 16) would not have Summer 2017 data.

Data Elements and Reporting Guidelines

Each summative evaluation report must include the data elements (pieces of data) covered in the chart beginning on page 2. The last column of the chart, Report by Program/Center, indicates which data can be reported for your **program** as a whole and which must be reported separately for **each center**. The **required reporting template** for this deliverable begins on page 6.

General Notes

1. Summative evaluation reports are public documents and as such are available for public review. **Do not include any personal information** about students or families (e.g., names, social security numbers). Programs must secure and maintain appropriate authorization from all individuals or their parent/guardian whose picture is included within their report.
2. This document describes only the minimum reporting requirements for the summative evaluation report and **does not preclude additional reporting**. Programs are encouraged to add any information that highlights the program's operations and successes or guides program improvements or sustainability.
