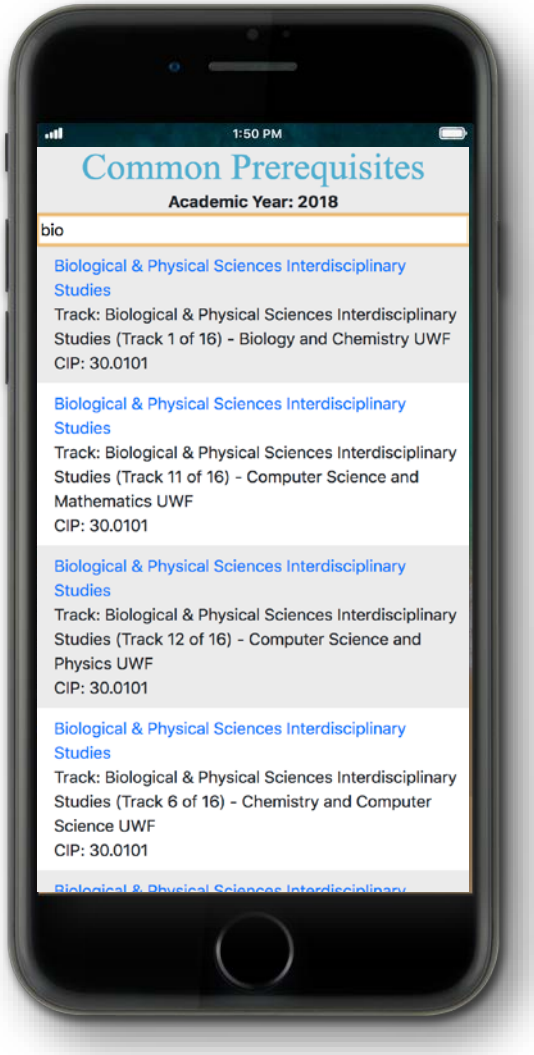
Next Steps



- Tablet Interface Design
- Desktop Interface Design

Database Update Effort

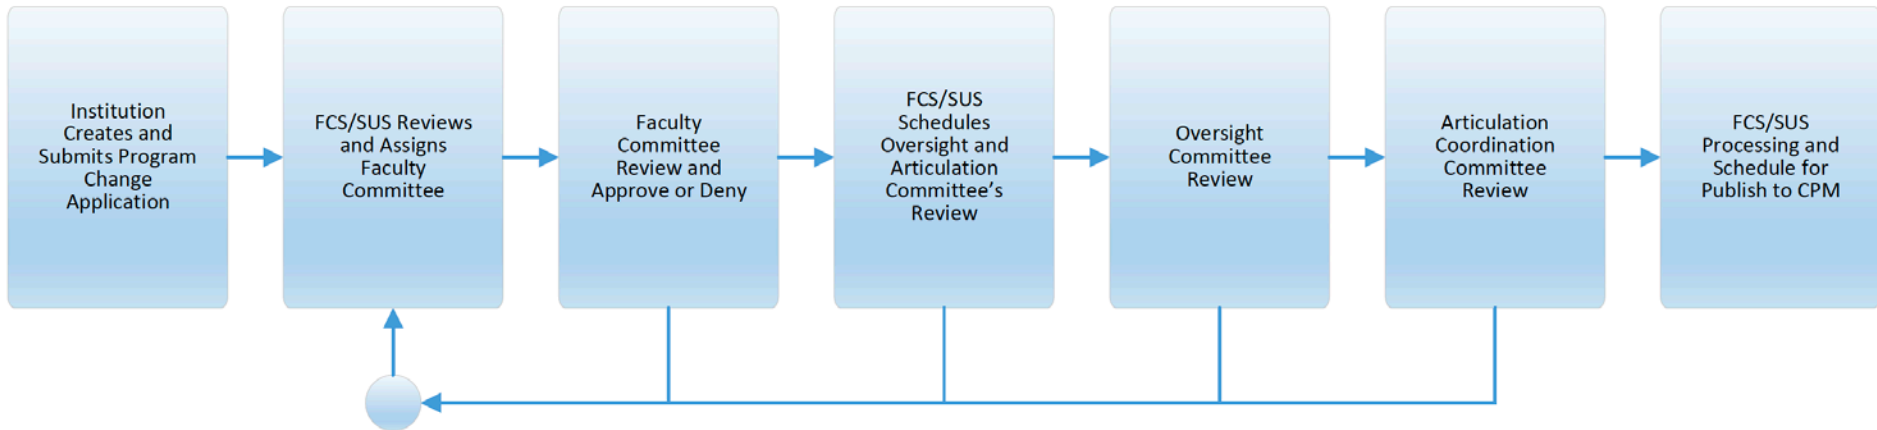
- Working Pilot with existing database updates
  - ~50-60% of programs completed and converted
- Comprehensive Testing of Business Rules
  - Standardize Data Format
  - Incorporate Institution-specific requirements
  - Standardize all exceptions (requires new business rules)
- Goal: Convert 100% of database

Upcoming Milestones

- Continue Database Cleanup
- Finalize Design
- Application and Discussion Board
- Committee Workflow and Administrative Screens

Common Prerequisite Manual General Process Flow

Overall Process Flow



Functional Roles

- Account Management
- Institutional Application Management
- Chief Academic Officer
- FCS/ SUS Management
- Committee Management
- Member Application Management

K-20 Advising System

Articulation Coordinating Committee Update

Florida Virtual Campus

FloridaShines

Student Hub for Innovative Educational Services

Statewide Strategic Initiative

- Two + Two Articulation Committee
- From the Board's *Improving 2+2 Articulation Implementation Plan* (March 2017)
  - Strategy 1: Develop a comprehensive and easily accessible web-based 2+2 advising toolkit. The website should contain information for secondary and postsecondary students, secondary and postsecondary advisors, and other key users.

Implementation

Phase 1: Short-term solution (temporary)

- Transfer-focused page with links to critical content areas
- Incorporate Common Prerequisite Manual revision (in progress)
- Professional development

Phase 2: Long-term solution

- Guided pathway tool for each primary user group
- Marketing
- Professional development
- Data analytics
- Future development & continuity

Benefits

No new state resources required

Accountability via MOU & advisory board

Enhances existing student-focused resource: FloridaShines.org
