Course Code Directory and Instructional Personnel Assignments

This document applies to programs in public schools, grades PreK-12, and certain postsecondary programs that begin in the time period of the first day of the 2015-2016 school year through the day prior to the beginning of the 2016-2017 school year.

INTRODUCTION

State Board of Education Rule 6A-1.09441, Florida Administrative Code (FAC), requires that programs and courses funded through the Florida Education Finance Program (FEFP) and courses or programs for which students may earn credit toward high school graduation must be listed in the Course Code Directory (CCD). The course code numbers are essential in the collection of information for use by decision-makers in the following areas:

1. Program planning and evaluation at the state level;
2. Cost reporting at the school, district, and postsecondary levels;
3. Course identification at the school, district, postsecondary, and state levels;
4. Provision of information to local, state, and federal education and legislative agencies; and
5. Fiscal and program audits.

The rule requires that school, district, and postsecondary personnel use this Directory when:

1. Scheduling students into any PreK-12 course, adult general education course, or postsecondary career and technical education course;
2. Aggregating student assignments for course data;
3. Identifying courses which may be used to fulfill graduation and program completion requirements; and
4. Determining appropriate educator certification for specified courses.

SUBMITTING A NEW COURSE REQUEST

To submit a new PreK-12 course to be reviewed by the Florida Department of Education (DOE) for inclusion in the CCD:

   Note: Please be sure to obtain the signature(s) required on the form.

2) Develop a comprehensive course description that follows the general template of examples found at http://www.cpalms.org/Courses/CourseDescriptionSearch.aspx.

   Note: Please be sure you use the most current state-adopted standards, located online at http://www.cpalms.org/Public/search/Standard.

3) Submit the required information to the DOE:
   - Email the course submission form, course description, and evidence of school board approval to trinity.colson@fldoe.org.
   - Mail the original, signed documents to:
     Manager, Course Code Directory
     Office of Articulation
     Florida Department of Education
     325 West Gaines Street, Suite 1401
     Tallahassee, Florida 32399-0400

To submit a new career and technical education program or course to be reviewed, please visit the Division of Career and Adult Education’s website at http://www.fldoe.org/academics/career-adult-edu/career-tech-edu/program-resources.shtml for additional information.
A) Course Numbering System

GENERAL

On permanent records and transcripts, school districts must record the state course numbers and abbreviated titles as found in the CCD. On report cards, school districts must use the state abbreviated titles without alteration and may use the course numbers. If the district chooses to use course numbers on report cards, the numbers must be displayed without alteration.

All school district and postsecondary documents, forms, automated terminal displays, and hard copies must use only the state course numbers and titles listed in this document, unless such reference falls under one of the following exceptions:

1. Students dually-enrolled in postsecondary institutions must use the numbers in the postsecondary Statewide Course Numbering System (SCNS).
2. Students dually-enrolled in private postsecondary institutions, as provided in s. 1011.62, F.S., may use the private institution course numbers.
3. Students enrolled in courses that are included in either postsecondary adult career and technical education (CTE) or postsecondary CTE programs (college credit) must use either the numbers listed in the CCD or those listed in the SCNS.

A seven-digit course number is used throughout the CCD. The first and second digits of the number indicate the major academic or program area as indicated below:

<table>
<thead>

DISTRICT REPORTING FOR PERMANENT RECORDS AND REPORT CARDS REQUIRED

Districts must use course numbers and official abbreviated titles as listed in the CCD on permanent records and report cards.

GRADES PREK-5 NUMBERING SYSTEM

Seven-Digit Numbering System: XXXXXXX

XX(first two) XX(second two) XX(third two) X(last)

- The first two digits (XXXXXX) of the course numbers:
  - 50 = elementary program
  - 51 = self-contained
  - 52 = ungraded

- The second two digits (XXXXXX) of the course numbers:
  - When beginning with the first two digits of 50,
    - the second two indicate the major subject area as indicated by the numbers used in grades 6-12.
• When beginning with the first two digits of 51 or 52,
  o the second two digits are numbered sequentially beginning with
  5100000 or 5200000 with the last digit remaining a zero.

- The third two digits (XXXXXXXX) of the course numbers indicate the unique courses in
  all PreK-5 courses

- The last digit (XXXXXXXX) of the course numbers begin with 0 (zero) and is numbered
  sequentially, if needed

**GRADES 6-12 AND ADULT EDUCATION NUMBERING SYSTEM**

**Seven-Digit Numbering System: XXXXXXX**

**XX(first two) XX(second two) XX(third two) X(last)**

- The first two digits (XXXXXXXX) of the course numbers indicate the major subject areas
  as follows:

  01 = Arts-Visual Arts
  02 = Computer Education
  03 = Dance
  04 = Drama-Theatre Arts
  05 = Experiential Education
  06 = Exploratory Education
  07 = World Languages
  08 = Health
  09 = Humanities
  10 = Language Arts
  11 = Library Media
  12 = Mathematics
  13 = Music
  14 = Peer Counseling
  15 = Physical Education
  16 = Remedial/Compensatory
  17 = Research and Critical Thinking
  18 = J.R.O.T.C./Military Training
  19 = Safety and Driver Education
  20 = Science
  21 = Social Studies
  22 = Study Hall
  23 = Career and Technical
  24 = Graded Self-Contained or Leadership Skills Development
  25 = Temp Instructional Placement
  30 = Applied, Combined, and Integrated Course
  99 = Adult Noncredit

- The second two digits (XXXXXXXX) of the course numbers indicate the subject area
  category within the subject area
Example: Academic area: Social Studies (first two digits: 21)
Subject area category: Political Science (second two digits: 06)
Number for course begins: 2106XXX

-The third two digits (XXXXXXX) of the course numbers indicate a unique course within the subject area category
- The fifth digit (XXXXXXX) indicates the grade level:
  - 0-2 for a 6-8 grade level course
  - 3-9 for a 9-12 grade level course
- The sixth digit (XXXXXXX) shows unique courses sequentially

-The last digit (XXXXXXX) of the course numbers begin with 0 and is numbered sequentially, if needed

Example: 2106310 = American Government
  21 = Social Studies
  06 = Political Science
  31 = Unique 9-12 grade level course
  0 = In sequence

Note: Adult General Education courses begin with the numbers 99. These courses are numbered sequentially beginning with the number 9900000.

APPLIED, COMBINED, OR INTEGRATED COURSE NUMBERING SYSTEM

Seven-Digit Numbering System: XXXXXXX

XX(first two) XX(second two) XX(third two) X(last)

-The first two digits (XXXXXXX) of the course numbers are 30

-The second two digits (XXXXXXX) of the course number indicate the subject areas
- 26 = Health Education and Physical Education
- 27 = Science and Career Technology Education

-The third two digits (XXXXXXX) indicate the unique course

-The last digit (XXXXXXX) of the course numbers begin with 0 (zero) and is numbered sequentially, if needed

Example:
  3026010 = Health Opportunities through Physical Education (HOPE)
  30 = Applied, Combined, or Integrated Course
  26 = Health Education and Physical Education
  01 = Unique course: HOPE
  0 = In sequence
EXCEPTIONAL STUDENT EDUCATION (ESE) NUMBERING SYSTEM

Seven-Digit Numbering System: XXXXXXX

XX(first two) XX(second two) XX(third two) X(last)

- The first two digits (XXXXXX) represent the grade levels

76 = ESE grades PreK Disabilities
77 = ESE grades K-5
78 = ESE grades 6-8
79 = ESE grades 9-12, 30, 31

- The second two digits (XXXXXX) are the major subject areas used in Grades PreK-12 and CTE

00 = Noncredit Courses
01 = Art
02 = Computer Education
10 = Language Arts
12 = Mathematics
13 = Music
15 = Physical Education
19 = Driver Education
20 = Science
21 = Social Studies
50 = Prekindergarten
55 = General Academics
60 = Life Management
61 = Skills for Students with Moderate Disabilities
62 = Skills for Students with Severe/Profound Disabilities
63 = Special Skills Courses
65 = Gifted
66 = Therapy
67 = Arts
80 = CTE for Students with Disabilities

- The third two digits (XXXXXXX) represent unique course numbers.

- The last digit (XXXXXXXX) of the course numbers begin with 0 (zero) and is numbered sequentially, if needed

CAREER AND TECHNICAL EDUCATION PROGRAMS AND COURSES

CTE programs are sorted under the career clusters. To find a CTE program cluster area, please go to the following website:  http://www.fldoe.org/academics/career-adult-edu/career-tech-edu.

**Secondary Level** - CTE programs and courses that can be offered only at the secondary level have been assigned seven-digit numbers in the 8000000 to 9799999 range.

**Postsecondary Adult Levels** - CTE programs that can be offered at the postsecondary adult levels have been assigned a seven-figure, alpha-numeric identifier. Each identifier consists of either a one-letter prefix with a six-digit number to designate PSAV programs or a three-letter prefix with a four-digit number to designate PSAV courses. For example, the alpha-numeric designation for the Practical Nursing program is H170605 and the courses in that program are HSC0003, HCP0121, PRN0091, etc.

SUBJECT AREA TRANSFER NUMBERS

Each course transferred into a Florida public school by an out-of-state or non-public school student should be matched with a course title and number when such course provides substantially the same content. A few transfer courses may not be close enough in content to be matched. For those courses a subject area transfer number is provided. The transfer number is listed as the last number in each major subject area. *Note: Transfer numbers do not receive any credit in the Bright Futures Scholarship Program.*

Example: Michigan Indian Culture = 2100990 (Social Studies Transfer)

For grades 9-12, in the area of world languages, eight transfer numbers are provided. The first number in world language (0700980) is to be used to report the first year of a language not listed in the CCD, such as Hungarian; the second world language number (0700990) is to be used to list a second year of the same language; the third world language number (0701980) to list the third year of the same language; and the fourth number (0701990), the fourth year of the same language. The additional four course numbers (0702980, 0702990, 0703980, 0703990) are provided for up to four credits in an additional world language.

Examples: Hungarian I = 0700980 (World Languages Transfer I)  
Hungarian II = 0700990 (World Languages Transfer II)  
Hungarian III = 0701980 (World Languages Transfer III)  
Hungarian IV = 0701990 (World Languages Transfer IV)  
Slovak I = 0702980 (World Languages Transfer V)  
Slovak II = 0702990 (World Languages Transfer VI)  
Slovak III = 0703980 (World Languages Transfer VII)  
Slovak IV = 0703990 (World Languages Transfer VIII)

In the area of JROTC and Military Training, a transfer number is listed for granting elective credit for military training, including basic military training over the summer, as allowed in the district’s approved student progression plan.

COURSE DATA/FTE REPORTING

In order for a student to receive subject-area credit toward high school graduation with a standard diploma, the appropriate Grades PreK-12 education courses listed in Section 3 must be recorded in the student's records and reported as student enrollment to the DOE, regardless of the FEFP funding being generated by the students. Where a class or section of students or an individual student in a Grades PreK-12 education course generates special program funding under current statute or rule, provision must be made in the school district's information system to properly report the student FTE earned in that Grades PreK-12 education course to the DOE. Course/section records maintained in the school district information system must contain the appropriate FEFP cost category when students generate special program FTE. Similar provisions must be made for courses funded through English Speakers of Other Languages (ESOL), ESE, or Secondary CTE.
B) Codes and Symbols

GRADE-LEVEL CODES

The following codes are used to indicate the grade level(s) of the student to whom instructional services are being provided:

- **PK** = Prekindergarten
- **KG** = Kindergarten
- **1-12** = First-Twelfth Grades
- **30** = Adult Non-High School Graduate
- **31** = Adult High School Graduate

SUBJECT-AREA GRADUATION REQUIREMENT CODES

Courses meeting high school subject-area graduation requirements are coded adjacent to each applicable course title. The codes used are listed below:

- **A1** = Algebra 1 or equivalent (or an accelerated course that satisfies this course graduation requirement)
- **AG** = American Government
- **AH** = United States (American) History
- **BI** = Biology or equivalent (or an accelerated course that satisfies this course graduation requirement)
- **EC** = Economics
- **EN** = English
- **EQ** = Equally Rigorous course that counts for Science credit
- **GE** = Geometry or equivalent (or an accelerated course that satisfies this course graduation requirement)
- **MA** = Mathematics
- **PA** = Career and Technical Practical Arts Courses that count for Fine Arts credit
- **PE** = Physical Education
- **PF** = Visual and Performing Arts
- **VO** = Career and Technical Education (Vocational)
- **WH** = World History

COURSE LEVELS

Course levels are designated in the following way:

- **Level 1** = Basic courses. For students with an individual educational plan (IEP) who entered the 9th grade prior to the 2013-14 school year, if the IEP team determined and documented, in accordance with Section 1003.43(7)(d), F.S., that a rigorous course of study would be inappropriate, the student may be granted core academic credit toward a standard high school diploma for any Level 1 course taken prior to the 2013-14 school year. Any student taking a Level 1 course in the 2013-14 school year or later, may not earn credit towards a standard diploma (including an elective credit).

  Students with disabilities who entered grade 9 prior to the 2014-2015 school year and who are pursuing a special diploma, who successfully completed a Level 1 course, may receive credit toward a special diploma in accordance with the district’s student progression plan.

- **Level 2** = Regular, mainstreamed courses.
Level 3 = Honors, IB, AP, AICE, advanced college-preparatory courses, and other courses containing rigorous academic curriculum and performance standards. In addition, numerous career and technical education courses are designated as Level 3. Please refer to Section 5 – Career Technical Education Program and Course Listing to review associated course levels. The level for CTE courses is included in the long course title.

(Blank) = If the course level field is blank, that indicates that the course number is either 1) a subject area transfer, 2) a waiver or substitution, or 3) a non-credit bearing course.

Examples:
Level 1 = Fundamental Algebraic Skills (7912100)
Level 2 = Algebra 1 (1200310)
Level 3 = Algebra 1 Honors (1200320)
(Blank) = NC Study Hall 1 (2200300)

COURSE LENGTH CODES

The following codes are used in the CCD to indicate the course length of a course:

M = Multiple (this indicates a course for which there is no seat time requirement, which can be offered as needed throughout the school year)
R = Credit Recovery (this indicates a credit recovery course for which there is no seat time requirement, which can be offered as needed throughout the school year)
S = Semester (this indicates a semester-long course)
Y = Year (this indicates a year-long course)
Z = Not Applicable (this indicates there is no course length associated with the course; this code is typically used for waiver, substitution and transfer course numbers)

COURSE CREDIT/MULTIPLE-CREDIT CODES

Multiple-credit courses are available in some areas of the CCD. Districts are required to ensure that student achievement expectations are raised as the student progresses through the sequence. The Department has not set a limit on the number of times such a course may be used, with the exception of courses in Section 4 identified as “Access” courses for students with significant cognitive disabilities. Access courses listed as multiple-credit can be awarded up to 2.0 credits maximum.

Grades 6-8: Courses that are allowed to be offered multiple times are designated by an MC (multiple credit) in the course title.

Grades 9-12: Courses receiving credit are coded in the Maximum Credit Column. The codes used to designate the number of credits allowed are listed below:

0.5 = half credit
1.0 = one credit
2.0 = 2 years of instruction of 300 hours
3.0 = Course may be taken for up to three credits
Multiple = Multiple Credit (more than 1 credit)

CERTIFICATION CODES

This CCD provides the certification coverages appropriate for an individual to teach or render service in specific areas or fields. The number(s) or letter(s) to the right of the certification coverage indicate(s) the instructional level(s) for which the certification is valid. These numbers are interpreted as follows:

Rule 6A-1.09441, F.A.C., Effective June 2015
Page 12
Early Childhood = 0 ***
Grades 6-12 = 1
Adult Education = 2
Elementary (1-6) = 3 ***
Secondary (7-12) = 4 ***
Grades K-8 = 5 ***
Elementary and Secondary (K-12) = 6
Career-Technical (requires job experience and can be taught at any level that the course is offered) = 7
Preschool (Birth through age 4) = A
Primary (K-3) = B ***
Middle Grades (5-9) = C
Preschool-Secondary (PK-12) = D
Endorsement = E*
District determined, valid at any level = F**
District issued employment certificate (career and technical education courses only) = G
Prekindergarten/Primary (Age 3 through Grade 3) = H
Elementary Education (K-6) = K

* An endorsement is a rider on a Florida educator’s certificate with a designated coverage. An endorsement shown on a certificate with a coverage signifies a pedagogical knowledge base that targets particular levels, stages of development, or circumstances.

** The appropriate certification instructional level is to be determined by each district’s screening, selection, and appointment process for principals and assistant principals.

*** All of these certification coverages in Section 3 must have the @ sign attached to them.

</tr>
</tbody>
</table>

Note: The non-degreed coverages include those issued by the district in accordance with Section 1012.39, F.S. However, a non-degreed coverage shall be appropriate for instruction only for the course(s) for which such coverage has been specified in the current CCD or the curriculum framework, as referenced.
EXPLANATION OF SYMBOLS

Listed below are the symbols and their definitions now being used in the North West Regional Data Center (NWRDC) and Web version of the CCD. The symbols in the Course Data Base (CDB) column are those used in the NWRDC CDB version, and the symbols in the CCD Column are those used in the Web version CCD.

<table>

</tbody>
</table>

This symbol indicates (1) courses or programs (Section 5) that may be deleted the following school year, (2) course titles or numbers that may be replaced with a new title or number the following school year, or (3) courses in Section 3 that have not been reported as taught within the last four years. Such courses may be deleted after the fourth year.

This symbol indicates courses with Course Descriptions that have been revised to require instruction in and mastery of appropriate state standards.

This symbol indicates a new title of course that will become effective after July 1 of the next school year. The existing title will be deleted at the end of the current school year.

* This symbol indicates a course that meets the definition of core curricula for class size under Section 1003.03(6), F.S.

EDUCATOR CERTIFICATION

HIGHLY QUALIFIED TEACHERS

The No Child Left Behind Act of 2001 (NCLB) places a major emphasis on highly qualified teachers (HQT). This federal law establishes requirements for determining if a teacher meets the criteria for being reported as “highly qualified” under NCLB. It is important to note that current Florida Statutes and SBE Rules relating to the classification of teachers reported for Florida purposes as “in-field,” “qualified,” or “out-of-field” are not the same as the federal highly qualified designation requirements. Thus, a teacher may be considered “in-field” pursuant to the requirements of the CCD, but will not be classified as a HQT in the NCLB reporting.

ANY FIELD CERTIFICATION COVERAGE

Some courses listed in the CCD display the appropriate certification as “Any Field When Certificate Reflects Bachelor or Higher Degree” or “Any Academic Coverage.” These coverages may not meet the requirements of NCLB “HQT” and will, therefore, be subject to review and change.
Dropout Prevention, Teenage Parent, and Department of Juvenile Justice Programs

To be “in-field” and “highly qualified” when assigned to Dropout Prevention, Teenage Parent, or Department of Juvenile Justice programs, teachers must be certified in the specific core academic areas being taught or use a High, Objective, Uniform State Standard of Evaluation (HOUSSE) plan to document HQT in the core academic areas being taught, as authorized by Rule 6A-1.0503, F.A.C.

For teenage parent programs, child care providers serving children three to five years old without a valid teacher's certificate must possess:
- a child development associate (CDA) credential
- or-
- a state-approved child care training credential as defined in Rule 65C-22.003, F.A.C.

English for Speakers of Other Languages (ESOL)

As specified in the 1990 League of United Latin American Citizens (LULAC) et. al. v. the State Board of Education Consent Decree and Rule 6A-4.0244, F.A.C., and other applicable SBE Rules, districts should report student membership data using the appropriate course numbers, FEFP cost category, and instructional strategy used. Specific ESOL and Home Language in-service training and certification/endorsement requirements apply to personnel assigned to serve English Language Learners (ELLs). Students identified as ELL should be enrolled in district ESOL programs as described in the state-approved District ELL Plan and as prescribed in the 1990 ESOL Agreement and Sections 1003.56 and 1011.62, F.S. ELLs enrolled in language arts, reading, mathematics, science, social studies, and computer literacy courses will generate ESOL-weighted funding, provided ESOL or home language strategies are used in the course.

Prekindergarten Program Basic Definitions

Early childhood grades use the following definitions to determine appropriate course numbers for prekindergarten programs.

**District Head Start Programs:** Any preschool program operated by the school district with Head Start funds. Staff qualifications appear in Sections 3 and 4.

**District Title 1:** Any preschool program operated by the school district with Title 1 funds. Staff qualifications appear in Sections 3 and 4.

**School Readiness Programs:** Any program serving children below kindergarten age, including home-visitor programs for infants and toddlers and their families that are operated with funds provided through an early-learning coalition. [These programs, when previously supported through funds made directly available to school districts, were identified as Prekindergarten Early-Intervention Programs, Florida First Start, or District-Operated Subsidized Child Care programs.]

**Prekindergarten Other:** Any other prekindergarten program operated by the local school district. Staff qualifications appear in Sections 3 and 4.

**Voluntary Prekindergarten (VPK) Education Program:** Beginning with the 2005-06 school year, the VPK education program for children attaining the age of four on or before September 1st, was implemented as provided in Sections 1(b) and (c), Article IX of the State Constitution. School districts are required to provide a summer prekindergarten program as provided in Section 1002.61(1), F.S.

The credential requirements for staff differ between the school-year and summer program. Section 1002.63(4), F.S., outlines the credentials required for the school-year VPK program; requirements for the summer program are outlined in Section 1002.61(4), F.S. For detailed information, visit http://info.fldoe.org/docushare/dsweb/Get/Document-4196/07-02att1.pdf.
Requirements for ESE Endorsements

Three endorsement areas are provided for teachers of students with disabilities in the areas of Severe or Profound Disabilities, Prekindergarten Disabilities and Autism Spectrum Disorders (ASD).

The ASD endorsement, as described in Rule 6A-4.01796, F.A.C., Specialization Requirements for Endorsement in Autism – Academic Class, is required for K-12 ESE teachers with 100 percent of students on their caseload or in their class identified as having ASD. The endorsement can be added to any ESE Florida educator certificate. The exceptions to this requirement are for ESE teachers who:

- have the severe/profound endorsement, as described in Rule 6A-4.01793, F.A.C., Specialization Requirements for Endorsement in Severe or Profound Disabilities, Academic Class, on their Florida teaching certificates or
- have an ESE Florida educator certificate and can document at least two full years of teaching experience (including satisfactory teacher evaluations as determined by the school district) with students with ASD between July 1, 2006 – June 30, 2011.

The prekindergarten disabilities endorsement, as described in Rule 6A-4.01792, F.A.C., Specialization Requirements for the Prekindergarten Disabilities Endorsement, is required for ESE teachers who teach either course number 7650030 or 7650130 as listed in the CCD. This endorsement can be added to primary education, elementary education (K-6), early childhood education, or any ESE Florida educator certificate. The exceptions to the requirement for this endorsement are for teachers who:

- have certification in preschool education (birth through age four years) or
- have certification in prekindergarten/primary education (age three years through grade three) or
- have a Florida educator certificate in one of the following subjects: any ESE subject, primary education, elementary education K-6, or early childhood education and can document at least two full years of teaching experience (including satisfactory teacher evaluations as determined by the school district) with prekindergarten children with disabilities between July 1, 2006 – June 30, 2011.

Highly Qualified Requirements for ESE Courses for Students with Disabilities

All K-12 ESE teachers teaching ESE core academic subjects as described in Section 4 must be highly qualified in the appropriate core academic subject areas as noted below.

- An ESE teacher teaching students in grades K-6 enrolled in 7700 (K-5 students) and 7800 (Grade 6 students) series core academic subject courses must be highly qualified in elementary education.
- An ESE teacher teaching 7800 and 7900 series core academic courses must be highly qualified for either elementary, middle or secondary level content area certification. The level of instruction is based on the grade level content that is being taught, not the reading or math performance level of the student.
- An ESE Teacher of 7800 or 7900 series core academic courses may use the Middle Grades Integrated Curriculum (MGIC) subject area test to meet HQT requirements when the content of the ESE course is applicable to MGIC**.
- A newly hired middle (grades 7 and 8)/secondary special education content teacher, if highly qualified in language arts, mathematics, or science at the time of hire, may have two additional years and use of the High Objective Uniform State Standard of Evaluation (HOUSSE) option to document HQT in the additional content subjects.

Teachers providing hospital/homebound (H/H) services (with the ESE H/H course numbers 7755020, 7855020, or 7900030 utilized), must be highly qualified for the basic core academic subjects taught. Note: 1) If a H/H teacher is teaching a general education course, the teacher must meet certification requirements in accordance with the general education course number; 2) Course 7900030 continues as a non-credit course.
Note: Refer to the table below for additional information regarding types of courses, scheduling methods/service delivery, certification, and HQT.

Certification Requirements for Different Scheduling Methods Used for Students with Disabilities

Information is provided in the table below on scheduling methods/service delivery with corresponding certification and HQT requirements based on various types of courses. **Districts should exercise discretion in implementing these options based on the consideration of appropriateness to student needs and related staffing issues.**

</table>

An ESE teacher provides services via “in class one-on-one.” In class one-on-one is defined in the Automated Student Information System as follows: “Teacher meets with an individual student or small group of students on an individualized basis within a traditional classroom but not as a co-teacher.” In class one-on-one is also known as, “support facilitation,” or “inclusion teaching” in accordance with s. 1003.03(5), F.S.

4. **Grades K to 12 general education**

   **One teacher serves as both the Grades K to 12 general education teacher and the ESE teacher** to provide the specially-designed instruction as identified on the students’ IEPs.

   **The teacher must meet certification in accordance with the Grades K to 12 general education course number.**

   **AND**

   **ESE teacher must meet certification requirements for any ESE area unless the**

   The teacher must meet HQT requirements for Grades K to 12 core academic subject.

   The teacher may sign the IEP as the general education teacher and the special education teacher.

   Example: A teacher in a center school is teaching a general education course in math to students with emotional/behavioral disabilities and is also
## 5. Grades K to 12 general education and ESE 7700, 7800, 7900 series

| One teacher (Grades K to 12 general education) is providing instruction for both the Grades K to 12 and ESE courses. | Grades K to 12 general education teacher must meet certification requirements in accordance with the Grades K to 12 general education course number. *Note: The Grades K to 12 general education teacher is not out-of-field for the ESE course number.*  

ESE teacher must meet certification requirements for any ESE area unless the exceptions noted below are applicable.  

*Note: If in class one-on-one instruction is provided to address a student’s visual impairment in accordance with the IEP, the required certification is visually impaired. If in class one-on-one instruction is provided to address a student’s hearing impairment in accordance with the IEP, the required certification is hearing impaired. If in class one-on-one instruction is provided to address a student’s dual sensory impairment in accordance with the IEP, the required certification is either hearing impaired, visually impaired, or mentally handicapped.* | Example: A student participating in access points (who takes the FAA) attends a Biology I course, but the content for that student is differentiated by the support facilitator to reflect the complexity levels identified by the Access Biology Course. |

**AND**

An ESE teacher provides services via “in class one-on-one.” *In class one-on-one is defined in the Automated Student Information System as follows: “Teacher meets with an individual student or small group of students on an individualized basis within a traditional classroom but not as a co-teacher.”* *In class one-on-one* is also known as, “support facilitation,” or “inclusion teaching” in accordance with s. 1003.03(5), F.S.
impairment in accordance with the IEP, the required certification may be hearing impaired, visually impaired, or mentally handicapped. If in class one-on-one is being provided by an occupational or physical therapist, or speech-language pathologist, see related therapy courses (e.g., 7763030, 7763040, 7763050, 7763070, etc.) in Section 4 for applicable certifications.

6. Grades K to 12 general education and ESE series

One teacher serves as both the Grades K to 12 general education teacher and the ESE teacher to provide the specially-designed instruction as identified on the students’ IEPs.

The teacher must meet certification requirements in accordance with the Grades K to 12 general education course number.

AND

ESE teacher must meet certification requirements for any ESE area unless the exceptions noted below are applicable.

Note: If all students in the classroom are hearing impaired, the required certification for the teacher is hearing impaired. If all students in the classroom are visually impaired, the required certification for the teacher is visually impaired. If all students in the classroom are dual sensory impaired in accordance with the IEP, the required certification for the teacher is either hearing impaired, visually impaired, or mentally handicapped.

Example: A teacher who is certified for the ESE course number and the general education course number is teaching a diverse class of ESE students, some who work on general education standards and others who work on alternate standards (access points).

7. ESE series

One teacher (ESE) is providing instruction.

ESE teacher must meet certification requirements for any ESE area unless the exceptions noted below are applicable.

The teacher must meet HQT requirements for the core academic subject. Additionally the level of instruction, not the grade level of the students, determines the HQT requirements for the ESE course. If the level of instruction provided to the students is at the grade K-6, the teacher must meet the HQT requirements for elementary education. If the level of instruction provided to the students is at the grade 7-12 level, the teacher must meet the HQT requirements for the appropriate secondary core academic subject area (e.g., English).

Example: A teacher who is ESE certified and is also highly qualified in elementary education.
Note: If all students in the classroom are hearing impaired, the required certification for the teacher is hearing impaired. If all students in the classroom are visually impaired, the required certification for the teacher is visually impaired. If all students in the classroom are dual sensory impaired in accordance with the IEP, the required certification for the teacher is either hearing impaired, visually impaired, or mentally handicapped.

**COURSE INFORMATION**

The courses listed in Section 4 represent a range of exceptional student education (ESE) courses available for students with disabilities and students who are gifted. Some courses in Section 4 include a range of intended student outcomes and may be repeated.

**Access Courses For Students With Significant Cognitive Disabilities**

Access courses are intended only for students with a significant cognitive disability. Access courses are designed to provide students with access to the general curriculum. Access courses in the core academic areas require teachers to be highly qualified in the applicable core content area in accordance with the level of instruction.

Access points reflect increasing levels of complexity and depth of knowledge aligned with grade-level expectations. The access points included in access courses are designed to foster higher expectations for students with significant cognitive disabilities. Access points in the subject areas of science, social studies, art, dance, physical education, theatre, and health provide tiered access to the general curriculum through three levels of access points (Participatory, Supported, and Independent). Access points in English/Language Arts and Mathematics do not contain these tiers, but contain Essential Understandings (EUs). Essential Understandings consist of skills at varying levels of complexity and are a resource when planning for instruction.

**Fundamental Courses**

Fundamental courses are academic skill-building courses that support a student’s participation in general education classes by allowing them more time to build the necessary skills for success. Fundamental courses in the core academic areas require teachers to be highly qualified in the applicable core content area.
Fundamental courses are not multiple credit courses, and a maximum of one (1) credit may be earned for the successful completion of a fundamental course. These courses are not intended to replace core academic courses required for a standard diploma in grades 9-12.

Additionally, a student who entered 9th grade prior to 2014-15 for which the individual educational plan (IEP) team has determined the general education curriculum, with accommodations and supports, is not appropriate, may take fundamental courses to earn credit toward a special diploma, in accordance with the district’s student progression plan. These courses are appropriate for students working towards a special diploma as general education courses may not be modified for this purpose.

Legislation passed in Florida during the 2014 session repealed the special diploma law, s. 1003.438, F.S., effective July 1, 2015. See Chapter 2014-184, Section 19, Laws of Florida. Students with disabilities who entered 9th grade prior to the 2014-15 school year, whose IEP was in effect on June 20, 2014, indicated that the student was pursing a special diploma, may continue to pursue a special diploma in accordance with s. 1003.438, F.S. Students with disabilities who enter the 9th grade in 2014-15 or thereafter, may not earn a special diploma but will have the opportunity to earn a standard diploma in accordance with the provisions of s. 1003.4282, F.S. The requirements related to s. 1003.4282 are further described in Rule 6A-1.09963, F.A.C.

Gifted Service Models

The courses listed under Gifted are designed to meet the needs of students who have met state eligibility criteria and are identified as gifted (Rule 6A-6.03019, FAC). Programs for students who are gifted encompass instructional and related services that provide significant adaptations in curriculum, methodology, materials, equipment, or the learning environment (Rule 6A-6.0311, FAC).

Services for students who are gifted may be provided directly or indirectly. For more information on Gifted Education, please visit [http://www.fldoe.org/academics/exceptional-student-edu/gifted-edu.stml](http://www.fldoe.org/academics/exceptional-student-edu/gifted-edu.stml).

Prekindergarten Programs for Children with Disabilities

ESE uses the following definitions to determine appropriate course numbers for prekindergarten disability programs. Course numbers and certification information are listed in Section 4.

- **Prekindergarten Disabilities: Age 0-2**
  - Any prekindergarten program for children with disabilities, birth through age two (2).

- **Prekindergarten Disabilities: Age 3-5**
  - Any prekindergarten program for children with disabilities, ages three (3) to five (5).

The prekindergarten courses for children with disabilities have been differentiated for ages birth-2 and 3-5. Certification areas for courses 7650030-7650170 are listed in Section 4. When a district contracts for services for one or more named children, the requirements of Rule 6A-6.0361, F.A.C., Contractual Arrangements with Nonpublic Schools and Residential Facilities, apply. The appropriate course number for the prekindergarten disabilities program is used when prekindergarten children with disabilities are receiving special education services in accordance with the IEP in an inclusive setting or through the “blending” of the ESE.
prekindergarten program with other district-operated early childhood programs, including a district-operated Head Start, Title I, school readiness program, prekindergarten other, or VPK education program, or through a program provided through a contract with a non-public school program.

When the Head Start, Title I, school readiness, prekindergarten other, or VPK education program serves as an inclusive setting for a child with a disability receiving special education in accordance with an individual educational plan (IEP), or these programs are “blended” with the prekindergarten disabilities program, one teacher may serve as both the ESE teacher for the preschool children with disabilities and the prekindergarten teacher for children served by the other preschool program identified above. For the models described in this section (inclusive or blended settings), the teacher must meet one of the certifications or credential requirements specified in Section 4 for the applicable prekindergarten disabilities course number. The exceptions to the requirement for the prekindergarten disabilities endorsement, as noted on Page 19, are applicable.

Other ESE Courses

- The courses listed under **Special Skills Courses** are designed to meet the specialized needs of students with disabilities. Some courses are tailored to meet the specific needs of a particular exceptionality. Other courses in Section 4 may be used to meet the individual needs of any student with exceptionalities.
- The courses listed under **Miscellaneous** are designed to meet the needs of students with disabilities who need to learn special content or skills in these areas.
- The courses listed under **Therapy** are designed to meet the needs of students with disabilities who need to receive specialized services in identified areas. These courses are not offered for credit.
- The titles listed under **Non-Credit** represent instructional settings (such as hospital/homebound services) and are included only for the purposes of scheduling.
- The courses listed under **CTE** for students with disabilities are designed to meet the career and technical skill needs of students with disabilities. These courses are appropriate when it has been determined that modifications, or the use of modified occupational completion points, are not sufficient for the successful mastery of regular CTE courses.

Credit Recovery Courses

Credit Recovery courses are credit bearing courses with specific content requirements defined by Next Generation Sunshine State Standards. Students enrolled in a Credit Recovery course must have previously attempted the corresponding course (or End-of-Course assessment) since the course requirements for the Credit Recovery course are exactly the same as the previously attempted corresponding course. For example, Geometry (1206310) and Geometry for Credit Recovery (1206315) have identical content requirements. It is important to note that Credit Recovery courses are not bound by s. 1003.436(1)(a), F.S., requiring a minimum of 135 hours of bona fide instruction (120 hours in a school/district implementing block scheduling) in a designed course of study that contains student performance standards, since the students have previously attempted successful completion of the corresponding course. Additionally, Credit Recovery courses should only be used for credit recovery, grade forgiveness, or remediation for students needing to prepare for an End-of-Course assessment retake.

Industry Certification Substitutions for Mathematics and Science

As provided in s. 1003.4282, F.S., industry certifications (IC) that lead to college credit may substitute for up to two (2) mathematics credits and up to one science credit toward high school graduation. The IC mathematics substitutions may not be used to substitute for Algebra 1 or Geometry requirements. The IC science substitution may not be used to substitute for the Biology 1 requirements specified in s. 1003.4282, F.S.
The CCD lists the following industry certification substitution titles and numbers:

- 1200998, Industry Certification Math Substitution 1 (MA subject code)
- 1200999, Industry Certification Math Substitution 2 (MA subject code)
- 2000999, Industry Certification Science Substitution (EQ subject code)

The school district would determine which industry certification exams (passing scores) can yield course substitutions for mathematics and science. It is important to note that one qualifying industry certification attainment equates to one substitution credit. A student would need to earn three distinct industry certifications tied to college credit in order to earn the maximum three substitution credits (two for math, one for science). The eligible industry certifications that are tied to statewide college credit may be found at http://www.fldoe.org/academics/career-adult-edu/career-technical-edu-agreements/industry-certification.stml.

**Physical Education High School Waiver Options**

For students entering 9th grade in 2007-2008 school year and thereafter, the following waiver options are available for Physical Education.

<table>
<thead>
<tr>
<th>Districts Choosing the Personal Fitness/Physical Education Activity Elective</th>
<th>Districts Choosing Health Opportunities through Physical Education (HOPE)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Two seasons of an interscholastic sport at the junior varsity or varsity level AND a grade of “C” or better on the Personal Fitness competency test waives the .5 credit in Personal Fitness and the .5 credit requirement in a physical education activity elective.</td>
<td>Two seasons of an interscholastic sport at the junior varsity or varsity level AND a grade of “C” or better on the Personal Fitness competency test waives the full one-credit physical education requirement.</td>
</tr>
<tr>
<td>One semester of marching band with a grade of “C” or better waives the .5 credit requirement of a physical education activity elective.  <em>(NOTE: Another option is to have this waive the performing arts requirement.)</em> The student must still take the .5 credit Personal Fitness class to complete the requirement.</td>
<td></td>
</tr>
<tr>
<td>One semester of a dance class waives the .5 credit requirement of a physical education activity elective. <em>(NOTE: Another option is to have this waive the performing arts requirement.)</em> The student must still take the .5 credit Personal Fitness class to complete the requirement.</td>
<td>Two years in an JROTC class (Year 1 waiver #1500450, Year 2 waiver #1500460) satisfies the full one credit physical education requirement AND the full one-credit performing arts requirement (also #1500480).</td>
</tr>
<tr>
<td>Two years in an JROTC class (#1500450 and #1500460) waives the .5 credit physical education activity elective AND the full one-credit performing arts requirement (also #1500480). The student must still take the .5 credit Personal Fitness class to complete the requirement.</td>
<td></td>
</tr>
<tr>
<td>Course Code # for Waiver</td>
<td>Description of Waiver*</td>
</tr>
<tr>
<td>--------------------------</td>
<td>-------------------------</td>
</tr>
<tr>
<td>1500410</td>
<td>INTERSCH SSN 1 – COM (completion of interscholastic sport season 1)</td>
</tr>
<tr>
<td>1500420</td>
<td>INTERSCH SSN 2 – COM (completion of interscholastic sport season 2)</td>
</tr>
<tr>
<td>1500430</td>
<td>INTERSCH SPTS WAIVER (Personal Fitness Competency Test waiver)</td>
</tr>
<tr>
<td>1500440</td>
<td>MCHG BAND PE WAIVER (Marching Band PE waiver)</td>
</tr>
<tr>
<td>1500445</td>
<td>DANCE WAIVER (Dance waiver)</td>
</tr>
<tr>
<td>1500450</td>
<td>JROTC/PE YR1 WAIVER (JROTC Physical Education waiver: completion of year 1)</td>
</tr>
<tr>
<td>1500460</td>
<td>JROTC/PE YR2 WAIVER (JROTC Physical Education waiver: completion of year 2)</td>
</tr>
<tr>
<td>1500470</td>
<td>JROTC/PE WAIVER COMP (completion of JROTC year 1, JROTC year 2, and Personal Fitness course)</td>
</tr>
<tr>
<td>1500480</td>
<td>JROTC/PE/PF WAIVER</td>
</tr>
</tbody>
</table>

*Please Note: The capitalized portion in the “Description of Waiver” is identical to the language in Section 3. The portion in parenthesis is for clarification of the requirements for the waiver. For example, course code #1500410 is for the completion of one season of interscholastic sports. It cannot be entered or placed on a student’s transcripts until the student completes a season in its entirety. Students who complete waiver requirements do not earn credits required for graduation and the waiver requirements (like a student’s grade on the Personal Fitness Competency Test) do not factor into a student’s grade point average (GPA).

**World Languages**

It is each district school board's responsibility to determine high school world language placement policies for those students who complete the Middle/Junior World Languages two-course or three-course sequence in middle school. Districts may use the high school world language course number(s) for middle school students who will be awarded high school credit for successfully completing the course and passing the end-of-course (EOC) examination.
