Definition/Domain

Withdrawal date is the calendar date of a PK-12 student's actual withdrawal from a school or district or an adult student's completion of or withdrawal from a course. See Automated Student Attendance Recordkeeping for procedures.

For most adult students Withdrawal Date is not required on the permanent record. Vocational program completion date (the withdrawal date associated with a **W28** withdrawal code) is required on the permanent record for adult postsecondary vocational program completers.

2. One occurrence of Withdrawal Code and Date has been added to the Category B portion of the automated student record (FIRN Print Program) for local district use. (Optional)
