<b>Element Name:</b>	<b>Migrant Regular School Year (Continued)</b>
<b>Definition/Domain (Continued)</b>	
<p><b>Examples:</b></p> <p>B050            Fifty percent of the teacher's assignment was in the Migrant Education Program during the regular school year and was paid from Title I, Part C, Migrant Education Program funds.</p> <p>C100            One hundred percent of the instructional paraprofessional's assignment was in the Migrant Education Program during the regular school year and was paid from Title I, Part C, Migrant Education Program funds.</p> <p>Z000            This employee was not paid from Title I, Part C, Migrant Education Program funds during the regular school year or was employed in a school-wide program where MEP funds were combined with those of other programs. .</p> <p>NOTE: To calculate FTE, use the percentage of time the employee was funded by MEP funds. Alternatively, calculate FTE using the number of days worked. One regular school year FTE equals 180 full-time work days. To calculate FTE, sum the total days the individual worked for the regular school year and divide this sum by the number of full-time days that constitute one FTE, i.e., 180 days.</p> <p>Use only the percentage of days worked by an individual that were paid by MEP funds in calculating the total FTE numbers to be reported.</p> <p>Do not include staff employed in school wide programs where MEP funds are combined with those of other programs. These employees should be coded Z000.</p>
