Data Element Name: **Career Pathways Student Participant**

The student's status, regarding the Career Pathways program, during the current reporting year.

Code	Definition/Example
N	The student did not participate in Career Pathways.
Y	<p>Secondary Career Pathways Student Participant- A career and technical education student who has earned 3 or more credits in a single career and technical education program and has participated in a locally developed Program of Study* that has a written articulation agreement in place which establishes and validates the career pathway.</p> <p>A career and technical education student is still considered a Career Pathways Student Participant even if the student is not currently enrolled in a career and technical education course. The student may be in the process of completing complementary academic courses identified in the program of study.</p> <p>OR</p> <p>Postsecondary Career Pathways Student Participant – A student enrolled in a postsecondary career and technical education program who has participated in a locally developed program of study and has earned articulated credit or dual enrollment credit as delineated in a local articulation agreement that is creditable to the student's degree or certificate.</p>

\*Note: A Program of Study is a coherent sequence of rigorous academic and technical courses that prepare students for successful completion of state academic standards and supports transition to more advanced postsecondary coursework in a related career area of interest. Additional requirements include:

A written articulation agreement must be in place for each Program of Study that validates the career pathway.

The agreement must be signed and approved by the agency head of each participating local education agency (LEA).

The Program of Study must include the locally endorsed sequence of core academic and Career and Technical Education (CTE) courses.

Career pathways must lead to a postsecondary credential. This may include a certificate, diploma, associate, or baccalaureate degree.

Each Program of Study is expected to be guided by the workforce and economic needs of business and industry in the community and employment opportunities for students.
