

2008-09 Florida 21st CCLC - Program Assurances

The Applicant(s) hereby assures that, in accordance with the statute, submitting this proposal shall comply with the following:

- 21st CCLC students are also in attendance during the regular school day;
- The program will take place in a safe and easily accessible facility;
- The program will primarily target students who attend schools eligible for schoolwide programs under section 1114 and the families of such students;
- The proposed program was developed, and will be carried out, in active collaboration with the schools the students attend;
- The program will submit the data and reports to the State and U.S. Department of Education;
- The grantee agrees to participate in statewide evaluation activities (i.e., responding to data request and entering accurate information into the data management system);
- Funds under this part will be used to increase the level of State, local, and/or other non-federal funds that would, in the absence of funds under this part, be made available for programs and activities authorized under this part, and in no case supplant Federal, State, local, or non-Federal funds;
- Property acquired (e.g., computers, classroom desks and tables) under the 21st Century Community Learning Centers program will remain within the appropriate facility for continued use in the 21st CCLC program after the funding period has expired;
- The fiscal agent will adopt and use proper methods of administering each program, including the:
 - enforcement of any obligations imposed on agencies, institutions, organizations, and other recipients responsible for carrying out each program; and
 - correction of deficiencies in program operations that are identified through audits, monitoring, evaluation and/or technical assistance.
- Each 21st CCLC program will operate at least 4 days per week at a minimum of 12 hours per week;
- The new 21st CCLC program will be operational within **30 days** of receiving the DOE 200 award notification or within **3 weeks** from the first day of school, whichever is later;
- The continuation 21st CCLC program will be operational within **3 weeks** from the first day of school;

- The program will offer a daily, nutritious snack that meets the requirements of the USDA National School Lunch Program for meal supplements. Florida 21st CCLC programs that operate on Saturday or non-school days are required to provide either a three or four hour day depending on the amount requested for core funding. Saturday or non-school day programs will offer a daily nutritious breakfast and/or snack that meets the USDA requirements. **This funding cannot be drawn from 21st CCLC funds and must come from other resources;**
- The community was given notice of the applicant's intent to submit an application, and that any waiver request will be available for public review after submission of the application;
- The proposed program has engaged in timely and meaningful consultation with private school officials;
- After the submission, the applicant will provide for public availability and review of the application;
- Student populations to be targeted by this 21st CCLC program are not being targeted by another existing 21st CCLC program. A list of schools currently being served by 21st CCLC programs can be found on <http://www.fldoe.org/curriculum/21century>;
- The Florida Dept of Education may terminate the grant, in whole or in part, if federal funds supporting the grant are reduced or withdrawn, or for nonperformance by the grantee at any time during the term of the grant; and;
- The Florida Dept of Education and the grantee may terminate the agreement, in whole or in part, upon mutual agreement.
