MEMORANDUM #09-12

TO: Early Learning Coalition Executive Directors

FROM: Shan Goff, Executive Director, Office of Early Learning

SUBJECT: Shipping of Florida Kindergarten Readiness Screening (FLKRS) Posters

Consistent with our goal to provide support to prekindergarten programs and providers throughout the State, we are pleased to provide you with copies of our Florida Kindergarten Readiness Screener (FLKRS) poster. The attachment details the number of posters to be shipped to each coalition. The poster emphasizes the responsibility of parents whose children attended VPK and enroll in private kindergarten to have their children screened. The poster also includes information for parents and other interested parties regarding the kindergarten readiness screening and a toll-free number to call for additional information.

We encourage you to share the posters with your VPK providers to make available to parents and to post wherever else you think they may be effective. The shipment of these materials will begin in the next two weeks. For additional quantities of the poster, please contact Cara Houser at (850) 245-0819 or via email at Cara.Houser@fldoe.org. We appreciate your assistance in helping to ensure that all children who participated in VPK are included in the kindergarten screening.
