MEMORANDUM #08-14

TO: Early Learning Coalition Executive Directors

FROM: Shan Goff, Executive Director, Office of Early Learning

SUBJECT: Shipping of Florida Kindergarten Readiness Screening (FLKRS) Brochures and Posters

Consistent with our goal to provide support to prekindergarten programs and providers throughout the State, we are pleased to provide you with sufficient copies of our revised Florida Kindergarten Readiness Screener (FLKRS) brochure and a poster. The brochure and poster emphasize the responsibility of parents whose children attended VPK and who enroll in private kindergarten to have their children screened. Both include information for parents and other interested parties regarding the kindergarten readiness screening and a toll-free number to call for additional information.

We encourage you to share these with your VPK providers to make available to parents and to post wherever else you think they may be effective. The shipment of these materials will begin in the next two weeks. For additional quantities of the brochure and/or poster, please contact Amanda Burkhalter at (850) 245-7894 or via email at Amanda.Burkhalter@fldoe.org. We appreciate your assistance in helping to ensure that all children who participated in VPK are included in the kindergarten screening.
