Training Phase	Audience	Timeline	Description
<b>Year One: Implementation</b>	Directors, Teachers and Classroom Assistants	<b>One-day training session</b>	Program overview/Research base Description and Use of Materials and Resources, Lesson Format for Shared Reading, Lesson Format for Phonological Awareness, Scheduling, Assessment, Technology, Alignment to Florida VPK Standards
<b>Year One: Follow-Up Training</b>	Directors Teachers and Classroom Assistants	<b>One-day training session</b>	Curriculum Review and customized sessions
<b>Year Two: Follow-Up Training</b>	Directors Teachers and Classroom Assistants	<b>One-day training session</b>	Early Childhood Institute

The following is a list of the types of sessions that can be provided as in-service and Professional Development for *Macmillan/McGraw-Hill Little Treasures*. These sessions are product specific and or content related, meant to assist classroom teachers and administrators to implement the program while building capacity. These sessions can be modified to meet district and Centers’ needs.

**Program Overview for Classroom Teachers**

The goal of the initial overview is to provide teachers with a thorough introduction to *Macmillan/McGraw-Hill Little Treasures*. This session translates research into practice and may be customized to include the following topics:

- Alignment to Research and Best Practices
- Organization of the Program
- Lesson Planning
- Alignment to District/State Standards
- Strategies for Reaching All Learners including ESOL
- Assessment

**Follow-Up Program Training**

Following the initial implementation, Macmillan/McGraw-Hill representatives and school personnel will determine a plan for further training. The follow-up may include the following topics:

- Pacing
- Grouping
- Classroom management
- Assessment – Progress Monitoring
- Assessing ESOL /Literacy Readiness to Inform Classroom Instruction

**Centers Director/Administrator Training**

This seminar is designed to assist the Center’s Directors/Administrators in monitoring teachers’ implementation of *Macmillan/McGraw-Hill Little Treasures* in their classrooms. The session will highlight theory and research and apply it to best practices in the classroom and may include the following topics:

- Program Philosophy and Overview of *Macmillan/McGraw-Hill Little Treasures*
- Alignment to Research and Best Practices
- Assessment and Reporting

- Progress Monitoring
- Observation and Analysis of the Pre K Classroom

### **Yearly New Teacher Training**

At the start of the school year, new teachers will gain a comprehensive overview of the **Macmillan/McGraw-Hill Little Treasures**, preparing them to fully implement the program in their classrooms. Content can be customized to ensure new teachers have a complete understanding of the program and are equipped with essential program knowledge to effectively use the program.

### **Product Training for the Literacy Coaches and Curriculum Assistants “Train the Trainer”**

This training session will provide the Selective Site Personnel with a comprehensive understanding of the **Macmillan/McGraw-Hill Little Treasures** program components, research base, pedagogy, and strategies. Trainers will receive all necessary training materials and in-depth training so that they are prepared to train teachers to effectively implement the reading program, in order to serve as on-site trainers and program experts throughout the school year.

### **Parent/ Home - School Academies**

This program offers tips and strategies for building a school-based family literacy program. The program will focus on program components that strengthen the home to school connection, and offer strategies and ideas to gain parent/guardian support and involvement. The program will offer additional activities, lessons, and practice that can be used and enjoyed by the entire family. Workshop topics include:

- **The Importance of Reading to the Pre K Child**
- **Helping My Child be Successful in School**
- **Can I teach My Child to Read?**
- **How Can I Get Involve in My Child’s Education**
- **Making Learning Fun at Home**
- **Connecting with the School to Ensure Success at School**

### **Professional Development Reading Workshops**

The following professional development sessions on key Early Childhood reading topics offer research, background information, handouts, and group activities. The sessions are interactive and excellent as train-the-trainer sessions. Workshop topics include:

- **Oral Language Development**
- **Phonological and Phonemic Awareness**
- **Print Awareness**
- **Academic Language**
- **Literacy and Music**
- **Managing the Pre K Classroom**
- **Mister Rogers Neighborhood-Building Character**
- **Early Childhood Research and Best Practices for ESOL Research and Its Impact on Instruction**
- **New Comers: Living and Learning About Their New Home**

**Total price: \$2495.08** Includes curriculum materials and professional development outlined above.
