#### **Our Professional Development Plan:**

Scholastic Early Childhood Program provides initial and ongoing professional development customized to meet the needs of Early Childhood Professionals:

Scholastic works in partnership with Early Childhood Professionals to develop customized professional development solutions in curriculum that are tightly aligned to local standards, assessments and instructional programs. Solutions can include embedded teacher workshops, an introductory DVD, on-site implementation workshops, and on-going instructional support - all designed to complement local professional development plans. For initial training, scholastic offers a comprehensive professional development program to support **Scholastic Early Childhood Program** educators. These offerings include:

- ***SECP Implementation Training***  
Scholastic offers one-half day of in-person implementation training for Early Childhood Professionals to learn how to implement the Scholastic Early Childhood Program Instructional Model and employ best practices with the program. Participants examine the instructional materials as well as assessment tools for ongoing progress monitoring.
- ***SECP Implementation DVD***  
Included in each **Scholastic Early Childhood Program** kit is an Implementation DVD which provides educators with an overview of the research foundation, a detailed look at the components in the kit, and a review of the lesson plan structure. This DVD shows expert teachers conducting **Scholastic Early Childhood Program** lesson plans in high-quality early childhood classrooms.
- ***Embedded Professional Development***  
The **Scholastic Early Childhood Program** provides on-going professional development Teacher Workshops that are built on early childhood research. Included in each **Scholastic Early Childhood Program** kit are 12 cooperative Teacher Workshops designed to support teacher's academic knowledge and instructional practices and provide them with knowledge and strategies that can be implemented in their classroom immediately.

To compliment the 'included' professional development Scholastic also offers a suite of supplemental courses, available for purchase, to provide additional ongoing professional development for Early Childhood Educators.

- **Online Professional Development: Building Foundations for Early Childhood Success**
  - An online course through Scholastic RED at [www.scholasticred.com](http://www.scholasticred.com) is designed to provide early childhood teachers with the tools to set up their classrooms and structure learning activities based on children's needs. Throughout the five lessons in this course, teachers learn effective ways to enhance children's development and provide support at all levels of readiness.
  
- **In-person Instructional Support: Early Literacy Seminar Series**
  - For in-person ongoing professional development, Scholastic offers the *Early Literacy Seminar Series*. These eight seminars engage early childhood educators in the essentials necessary for running language and literacy-rich classrooms. The *Early Literacy Seminar Series* offers seminars on the following topics:
    - Managing Your Classroom and Small Group Instruction
    - Developing Oral Language
    - Building Letter Knowledge and Phonological Awareness
    - Supporting English-Language Learners
    - Building Content Area Knowledge
    - Connecting School and Home
    - Developing Print Awareness and Writing
    - Teaching Each Child
