

APPENDIX D

Members of DPS Libraries to Be Downloaded

The names of the programs and jobs used to edit the Initial data sent by the Districts are listed on the following pages. The formats of files used in the programs are also listed. The source code, job control language and formats are stored respectively in:

DPS.DISTRICT.SOURCE.Yxxxx
DPS.DISTRICT.JCL.Yxxxx
DPS.DISTRICT.FORMAT.Yxxxx

There is a member in the Source library called INDEX. Everytime a change is made to a Source Library member it is recorded in the INDEX.

A new library has been created, DPS.DISTRICT.CHANGES.Yxxxx. This library has the changed code for programs that were updated. The member names are the same as those listed on the following pages except that 'C' is appended. PSGQ01 is PSGQ01C in this library.
