

# Schoolwork has a new meaning...

- A** Hillsborough County Public Schools (HCPS) teachers will operate a public school offering a state-approved educational program for your employees' children in your facility for six hours per day, consistent with the school district's elementary school hours.
- B** You provide classroom space at your business location, along with associated operating and upkeep expenses.
- C** The ABC School can be for kindergartners, first, second, or third graders, or it can serve all four grade levels.

*Hillsborough County Public Schools is seeking proposals from qualified businesses with operations in Hillsborough County Florida interested in partnering with the district in the A-Business Community Schools (ABC) Program.*

- ◆ The proposal is for the Business to provide a facility, including the associated operating and upkeep expenses, in which the Hillsborough County Public Schools (HCPS) will provide an educational program for the children of the business' employees for **six hours per day** or as consistent with Hillsborough County Public Schools (HCPS) approved elementary school hours calendar.
- ◆ A-Business Community School (ABC) is defined as a public school offering instruction to students from kindergarten, first, second and/or third grade at a business site in a facility owned or leased by a business.

**Hillsborough County**  
**PUBLIC SCHOOLS**  
*Excellence in Education*
