²⁷ Part of this training should explain that the warning signs are indicators that a student may need help and that it is imperative to avoid jumping to conclusions.

²⁸ Districts may not be able to explain ALL of the early warning signs but they should design a program to help parents, students, and staff understand the major signs.

²⁹ This could range from guidance on what to do to help with actual intervention.

³⁰ This may not be something the district can prove directly, but could be measured by the absence of confidentiality breaches.
