

School Safety & Security Best Practices With Their Associated Indicators
2003-2004 School Safety and Security Self-Assessment Form

Efficiency and Effectiveness

1. The district has established and implemented accountability mechanisms to ensure the performance, efficiency, and effectiveness of the safety and security program.

Indicators of Meeting the Best Practice	Yes	No	In Progress	N/A
a. The district has clearly stated goals and outcome-based, measurable, objectives for the program that reflect the intent (purpose) of the program and address the major aspects of the program's purpose and expenditures.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
b. The district uses appropriate performance and cost-efficiency measures and interpretive benchmarks to evaluate the school safety and security program and uses these in management decision making. ^{1,2}	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
c. The district regularly conducts an assessment of performance and cost of the safety program and analyzes the potential cost savings of alternatives, such as outside contracting and privatization. ³	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Related Statutes and Rules

Does the District Meet the Best Practice? (Please provide explanation)	Yes	No	In Progress	N/A
<p>The District has established the Miami-Dade Schools Police Department (MDSPD), which operates in accordance with Chapter 943 of the Florida State Statutes.</p> <p>The School Police Automated Reporting (SPAR) System is utilized to record, interpret, track, security data. Reports from SPAR are essential in evaluating the accountability and effectiveness of the MDSPD's various programs: SRO, Investigative Unit, K-9, Patrol, etc.</p> <p>MDSPD focuses on specific crimes and case closures; i.e., year-to-year comparisons to identify and analyze trends. Additionally, the department re-distributed the workforce based on statistical information; Part I offenses and student population were considered for the 2002-2003 school year.</p> <p>The Safety Program of Miami-Dade County Public Schools</p> <p>Goal and objectives are addressed in the following documents: Procedures for Promoting and Maintaining a Safe Learning Environment, Code of Student Conduct, and the Electronic Staff Handbook.</p> <p>Miami-Dade County Public Schools (M-DCPS) conducts an Annual Climate Survey. The climate survey is used to analyze safety in schools. Safe school facilitators utilize Climate Survey results in working with school faculty and staff regarding bullying and harassment issues.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Strategies and Actions to Be Taken

Fiscal Impact and Timeline

¹ This means that in budgeting and shifting resources the district considers several factors including goals, objectives, critical safety needs, and past performance of safety initiatives.

² Performance measures should include appropriate comparisons with peer districts in areas such as safety and discipline incidents, etc.

³ This assessment would include examining whether the overall safety program and individual safety initiatives (such as DARE or Crime Watch) are achieving the outcomes they are expected to achieve.

The district ensures review and updates from a broad cross-section of stakeholders. A final review of the CIRP included input from parent groups and community officials etc. The Districts Emergency Management Procedures manual was sent for review and comments to local Fire Departments, Police Departments, Red Cross, Miami-Dade Office of Emergency Management, Federal Bureau of Investigation, and Parent Teacher’s Association.

The Safety Program of Miami-Dade County Public Schools and Emergency Management Procedures manual are provided to each school site.

The Emergency Management Procedures manual is a Board Rule. The Safety manual was revised June 2001 and Emergency Management Procedures was revised June 1999.

The CIRP, which is reviewed annually, is currently under review for the 2003-2004 school years. A final review will involve all stakeholders.

The Critical Incident Response Plan (CIRP) was sent to all local Law Enforcement Agencies.

The CIRP, Code of Student Conduct, and Promoting and Maintaining a Safe Learning Environment (PMSLE) is distributed annually to all administrators.

All documents listed above are reviewed annually and if necessary more often.

Strategies and Actions to Be Taken

Fiscal Impact and Timeline

^{9*} Emergency response agencies may include the fire department, police department, hospitals, social service, and health agencies.

^{10*} In accordance with s. 119.071 F.S., the district should take steps to ensure the confidentiality of security-related information. The district should identify those administrators and staff directly responsible for emergency response procedures, such as principals and school resource officers, and ensure that they have received copies of the safety plans. Districts may choose to disclose descriptive information regarding the safety and security plans to teachers, advisory councils, and the public. However, the district must still protect sensitive security information so as not to compromise the district’s safety efforts.

The Office of Training and Development, Human Resources, keeps electronic records of courses taken and Master Plan points awarded.

The Master Plan for In-Service Education (In-Service Training) is revised regularly, approved by the School Board, and submitted to Florida Department of Education annually. The Master Plan in total is revised every five years; however, new components are revised as needed.

Strategies and Actions to Be Taken

Increase the number of training sessions for teachers on the topics in item F.

Fiscal Impact and Timeline

¹⁸ Training should include both instructional and non-instructional staff as well as substitute teachers and bus drivers. Districts may want to establish the minimum number working days substitute must have before being provided with training.

¹⁹ Specialized training may include suicide prevention and responses for specific emergency situations as outlined in the emergency checklist on Best Practices.

²⁰ Depending on their duties, staff training can include emergency planning and intervention, classroom management, conflict resolution, CPR and first aid, the use of life-saving equipment, sexual harassment and abuse, and the early warning signs of violence, to the personnel identified in 1a.

²¹ This includes equipment such as first aid kits, fire extinguishers, or portable defibrillators.

The district is presently reviewing the other aspects of early warning signs, identification, and related threat assessment procedures.

Strategies and Actions to Be Taken

Add specific procedures to the Critical Incident Response Plan and the procedures for promoting and maintaining a safe learning environment to provide guidelines in this area.

Fiscal Impact and Timeline

²⁵ Agencies that should be consulted for this information include the Department of Juvenile Justice, the Florida Department of Law Enforcement, other appropriate law enforcement agencies, state attorneys, the courts, and the Department of Education.

²⁶ The information regarding sexual offenders, such as photographs, should be shared with bus drivers, teachers, front office staff, custodial staff, and cafeteria staff.

²⁷ Part of this training should explain that the warning signs are indicators that a student may need help and that it is imperative to avoid jumping to conclusions.

²⁸ Districts may not be able to explain ALL of the early warning signs but they should design a program to help parents, students, and staff understand the major signs.

²⁹ This could range from guidance on what to do to help with actual intervention.

³⁰ This may not be something the district can prove directly, but could be measured by the absence of confidentiality breaches.

- a. Food service staff at all school locations is required to follow regulations as listed in the State of Florida Chapter 643-11.001-14 Food Hygiene, guidelines for food storage and handling as established by Food and Nutrition Services of the DOE (Chapter 21), MDCPS Food and Nutrition Procedures H-2 – H-10 (Sanitation and Safety) and temperature guidelines as established by HACCP. Yes No In Progress NA
- b. Food service employees receive safety training through M-DCPS staff from Safety to Life during scheduled in-service training meetings. This same training is also included as part of the intern training program for new managers. Food service staff also receives on-site training as well as OSHA Material and Data Sheets for cleaning supplies utilized in cleaning the Food production and serving areas. Food and Nutrition employees have also attended all day summer workshops on food sanitation and safety following the Department of Food and Nutrition Food Production Training Handbook. All full time food service managers and satellite assistants have completed the USDA Serving It Safe Training Program. Serving It Safe is an intensive program covering program food handling safety, on the job injuries, food borne illness, sanitation and food preparation. At the completion of the training program each employee received a certificate of completion.
(The area of training is on-going on a yearly as well as daily basis).
- c. The Department adheres to all facility safety regulations as established in the district Safety Procedures Manual. In addition, food service employees are required to follow and Nutrition Procedure 11-8 Authorized Access to Food Service Areas and State of Florida Food Hygiene Chapter 64E-11.007 and 11.008.
- d. All food service employees as well as district staff have access to State of Florida regulations for food hygiene Chapter 64E-11 by logging onto the district web site. All school locations will be receiving written directions for retrieving this information. All schools have received notification with written directions for retrieving local health department regulations on-line through the Department of Food and Nutrition Website. The health department regulations can be viewed as well as printed at each school location.
- e. Food service staff follows established procedures on suspected food borne illness as outlined in Food and Nutrition Procedure H-4 and State of Florida Food Hygiene Chapter 64E-11.011 and Florida School Food Service reference manual Chapter 21 Sanitation and Food Handling.
