* Any substantial decrease may be due to clarification of types of actions that should be reported in this category. Schools had been reporting minor disorderly conduct in classrooms when they should have been reporting serious campus disruptions such as bomb threats.

1 Number of suspension or expulsion actions. The number is often larger than the number of students because it includes students who receive multiple suspensions or expulsion.

2 Number of individual students who have been suspended or expelled one or more times.

3 Percent of students suspended or expelled of the total category population.

4 Number of students involved in a disciplinary action who were reported by the district without grade-level, gender, or race information.
