College Board Membership

The College Board is a not-for-profit membership association composed of more than 5,600 high schools, colleges and other educational institutions, all of whom support our mission of connecting students to college success and opportunity. Membership helps promote higher standards of teaching and learning at your school and offers generous discounts for professional development workshop fees. For example, if a College Board member school sends 10 educators to a one-day workshop, it pays \$250 less than nonmembers — a significant savings.

For more information about College Board membership or to see if your institution is a member, visit our Web site at www.collegeboard.com/members.

The College Board has been approved as an Authorized Provider of the IACET Continuing Education Unit (CEU). In obtaining this approval, the College Board has demonstrated that it complies with the ANSI/IACET standards which are widely recognized as standards of good practice internationally. As a result of their Authorized Provider Membership status, the College Board is authorized to offer IACET CEUs for its programs that qualify under the ANSI/IACET standards. - Need to change your registration? No problem. Simply fax your written changes 14 calendar days prior to the workshop to 866-549-6810.
- If participant does not register by the registration deadline, space and materials may not be available.

When we receive your registration and payment, we'll e-mail you a confirmation notice. Please bring it with you. If you don't receive this notice within two weeks of the session date, please call 800-787-7477, ext. 2.

Three Easy Ways to Register

To participate in a College Board workshop, you must register by the registration deadline for the workshop you plan to attend (see pages 6-13).

All registrations will be acknowledged via e-mail. This correspondence will include a confirmation letter and directions to the meeting. The confirmation should be brought to the workshop. If you do not receive a confirmation two weeks before the conference, please call 800-787-7477, ext. 2. All changes in registration must be made in writing via e-mail or fax to the College Board.

- 1. By Mail** — simply mail your registration form with payment to:
The College Board–SRO Workshops
11911 Freedom Drive, Suite 300
Reston, VA 20190-5602
- 2. By Fax** — fax your registration form with credit card or purchase order information to 866-549-6810.
- 3. Online** — go to www.collegeboard.com/meetings.

We regret that we're unable to accept registrations on the day of the event.

Cancellation Policy

If you must cancel, you'll receive a full refund of fees paid up to 14 calendar days before the event. A participant who has registered and paid for an event and cancels less than 14 calendar days prior to an event receives a refund less \$50.

The College Board reserves the right to cancel sessions with fewer than 15 registrants or substitute session topics and presenters without notice. In the event a session must be canceled, we will notify you by e-mail or phone. In the event of cancellation, the College Board is not responsible for refunds of travel arrangements.

A participant who has registered but did not pay for a workshop, does not cancel at least 14 calendar days prior, and does not attend must still submit payment in full.

Refund Policy

The College Board orders conference materials based on participant preregistration and guarantees payment to vendors 14 calendar days in advance.

- A participant who has registered and paid for a session or workshop that is subsequently canceled by the College Board will receive a full refund or transfer to another session or workshop within the same fiscal year at no cost.
- A participant who has registered and paid for a workshop and cancels in writing more than 14 calendar days before the workshop will receive a full refund. You may transfer your registration to a future session or workshop within the same fiscal year at no cost.
- Registrants who sign up for an online event or workshop less than 14 calendar days before the event are required to test their technical capability within one day of receiving the technical instructions in order to be eligible for a refund due to an inability to connect to the online location.
