

Florida Department of Education Virtual Instruction Program Disclosure Requirements

Section 1002.45(7), Florida Statutes, was amended to require the following disclosure information from applicants for the virtual instruction program.

“Publishes for the general public, in accordance with disclosure requirements adopted in rule by the State Board of Education, as part of its application as a provider and in all contracts negotiated pursuant to this section:

- a. Information and data about the curriculum of each full-time and part-time program.
- b. School policies and procedures.
- c. Certification status and physical location of all administrative and instructional personnel.
- d. Hours and times of availability of instructional personnel.
- e. Student-teacher ratios.
- f. Student completion and promotion rates.
- g. Student, educator, and school performance accountability outcomes.”
