- MODULE 2 Career Finder Quiz**
- MODULE 3 Exploring Careers/Identifying Career
Clusters**

MODULE 1

ACCESS and LOGIN for Students

Time: 5-10 min.

[Go to www.flchoices.org](http://www.flchoices.org)

Click on Create a new portfolio in the Student section.

Fill in the information as requested to create a portfolio.

From the drop-down menu:

Select *your district's middle school category*.

Example: *Escambia County Middle Schools*

or,

Select your school name if you have CHOICES Explorer.

Tip: The portfolio name and password are case sensitive, so a good guide is to use "lower case, no space."

Once you have created a portfolio, each time you visit CHOICES Explorer, choose Student Sign in, and type in your Portfolio name and password.

Choose CHOICES Explorer from *Your Tools*.

You will then be taken to the Explorer home page.

MODULE 2

Career Finder Quiz

1. Select “Start with a quick quiz.”
2. Then select “Start Now.”
3. Answer the questions about your interests and skills and select “Next” when finished.

MODULE 3

Exploring Careers

- 1. Review the suggested careers based on your interests and skills. Additional careers can be reviewed by selecting that option from the drop-down menu.**
- 2. Select any of the careers on your list to see how your interests and skills match up. To see more information on a career, select “More information about ...”**
- 3. Explore career information by selecting the tabs on the left.**
- 4. Once exploration is complete, students should save their top three occupations of interest to their portfolio by selecting the “Add to Portfolio” tab.**
***Note: There is one common portfolio for CHOICES Explorer and CHOICES PLANNER.**
- 5. After students have saved their top three (3) careers of interest in their portfolio, they will choose their top career and note the career cluster.**
