Foreword.....

Introduction.....

Integrated Technology Studies.....Section 1

Program #8600000, CIP #0821.0122EX

- Introduction to Technology (course #8600010)
- Exploring Technology (course #8600020)
- Exploration of Communications Technology (course #8600030)
- Exploration of Production Technology (course #8600040)
- Exploration of Aerospace Technology (course #8600050)
- Exploration of Power & Energy Technology (course #8600250)
- Exploration of Transportation Technology (course #8600240)

Applicable Level 6-9, 30, 31
Credit For Each Course 0.5

Technology SystemsSection 2

Program #8600400, CIP #0821.0128PA

- Communication systems (course #8600410)
- Power and Transportation Systems (course #8600420)
- Production Systems (course #8600430)
- Drafting and Design (course #8600440)
- Electronics Systems (course #8600450)
- Engineering Systems (course #8600460)
- Applied Technology Systems (course #8600470)
- Home Technology Systems (course #8600480)

Applicable Level 9-12, 30, 31
Credit For Each Course 0.5

Aerospace TechnologiesSection 3

Program #860080, CIP #0821.011800

- Aerospace Technologies I (course #8600580)
- Aerospace Technologies II (course #8600680)
- Aerospace Technologies III (course #8601780)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Communications TechnologySection 4

Program #8601000, CIP#0821.010600

- Communications Technology I (course #8601010)
- Communications Technology II (course #8601020)
- Communications Technology III (course #8601030)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Construction TechnologySection 5

Program #8600700, CIP #0821.010200

- Construction Technology I (course #8600710)
- Construction Technology II (course #8600720)
- Construction Technology III (course #8600730)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Drafting/Illustrative Design TechnologySection 6

Program #8600800, CIP #0821.010300

- Drafting/Illustrative Design Technology I (course #8600810)
- Drafting/Illustrative Design Technology II (course #8600820)
- Drafting/Illustrative Design Technology III (course #8600830)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Electronics TechnologySection 7

Program #8600900, CIP #0821.010400

- Electronics Technology I (course #8600910)
- Electronics Technology II (course #8600920)
- Electronics Technology III (course #8600930)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Engineering TechnologySection 8

Program #8607000, CIP #0821.011700

- Engineering Technology I (course #8600570)
- Engineering Technology II (course #8600670)
- Engineering Technology III (course #8601770)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Materials and Processes TechnologySection 9

Program #8601100, CIP #0821.010700

- Materials and Processes Technology I (course #8601110)
- Materials and Processes Technology II (course #8601120)
- Materials and Processes Technology III (course #8601130)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Power and Energy TechnologySection 10

Program #8601300, CIP #0821.010501

- Power and Energy Technology I (course #8601310)
- Power and Energy Technology II (course #8601320)
- Power and Energy Technology III (course #8601330)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Production TechnologySection 11

Program #8604000, CIP#0821.011400

- Production Technology I (course #8600540)
- Production Technology II (course #8600640)
- Production Technology III (course #8601740)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Transportation TechnologySection 12

Program #8601200, CIP #0821.010500

- Transportation Technology I (course #8601210)
- Transportation Technology II (course #8601220)
- Transportation Technology III (course #8601230)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Technology StudiesSection 13

Program/Course #8600100, CIP #0821.010100

- Technology Studies I (course #8600510)
- Technology Studies II (course #8600610)
- Technology Studies III (course #8601710)

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0

Work-Based ExperienceSection 14

Program/Course #8601800, CIP #0821.0199CP

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0 (maximum 3)

Advanced Technology ApplicationsSection 15

Program/Course #8601900, CIP #0821.0200CP

Applicable Level 9-12, 30, 31
Credit For Each Course 1.0 (maximum 3)
