## MEMORANDUM

**TO:** Recipients of FY 2007-2008 Carl D. Perkins Federal Vocational Education Funds

**FROM:** Lucy D. Hadi  
Chancellor, Division of Workforce Education

**SUBJECT:** 2006-2007 Basic Grant Roll Forward Funds

---

By law it is required that roll forward funds from FY 2006-2007 be allocated to enhance the original funds received during the FY 2007-2008 using the same formulas approved by the U.S. Department of Education for Secondary and Postsecondary programs.

On the attached sheets you will find the allocation of funds for school districts, vocational centers and community colleges for Secondary and Postsecondary programs. Based on the Florida Department of Education Comptroller's Office calculation, Tech Prep programs expended all of their allocated funds during 2006-2007. Therefore, no roll forward funds are available for Tech Prep during the FY 2007-2008. The roll forward allocation charts are also available on the website at: <http://www.fldoe.org/workforce/dwdgrants/>. The increase represents the additional dollars your agency may acquire through the proposal amendment process. The funding period for roll forward dollars will be from the date we receive your amendment, in acceptable form, through June 30, 2008.

To acquire the additional dollars reflected in the attachments, you must submit DOE Forms 150 and 151 (Budget Amendment Form). These dollars are to be treated as basic grant dollars and used to enhance a current project as well as support new initiatives provided they are reflected in your approved plan.

Please forward your completed amendment request to: Florida Department of Education, Bureau of Grants Management, 325 West Gaines Street, Room 325, Tallahassee, FL 32399-0400.

If you have questions or need assistance, please contact Dr. Ike Gibson at (850) 245-9026 or via e-mail to [Ike.Gibson@fldoe.org](mailto:Ike.Gibson@fldoe.org).
