## MEMORANDUM

**TO:** Recipients of FY 2008-2009 Carl D. Perkins Federal Vocational Education Funds

**FROM:** Lucy D. Hadi 

**SUBJECT:** 2007-2008 Basic Grant Roll Forward Funds

By law it is required that roll forward funds from FY 2007-2008 be allocated to enhance the original funds received during the FY 2008-2009 using the same formulas approved by the U.S. Department of Education for Secondary and Postsecondary programs.

On the attached sheets you will find the allocation of funds for school districts, vocational centers and community colleges for Secondary and Postsecondary programs. Based on the Florida Department of Education Comptroller's Office calculation, Tech Prep programs expended all of their allocated funds during 2007-2008. Therefore, no roll forward funds are available for Tech Prep during the FY 2008-2009. The roll forward allocation charts are also available on the web site at: <http://www.fldoe.org/workforce/dwdgrants/>. The increase represents the additional dollars your agency may acquire through the proposal amendment process. The funding period for roll forward dollars will be from the date we receive your amendment, in acceptable form, to June 30, 2009.

To acquire the additional dollars reflected in the attachments, you must submit DOE Forms 150 and 151 (Budget Amendment Form). These dollars are to be treated as basic grant dollars and used to enhance a current project as well as support new initiatives provided they are reflected in your approved plan.

Please forward your completed amendment request to: Florida Department of Education, Bureau of Grants Management, 325 West Gaines Street, Room 325, Tallahassee, FL 32399-0400.
