* Performance Points are based on 2004-2005 Occupational and Literacy Completion Points (OCPs/LCPs) and Non-Returning 2003-2004 Completions Found Placed in Employment or a Higher Level of Education in 2004-2005

Validated Occupational Completion Point and Literacy Completion Point students received in 2004-2005 are included in the completion counts. Students with completions reported in 2003-2004 and found employed in 2004-2005 have the placement points distributed across any Fund Types (e.g. (PSAV, ABE, VESOL, etc.) in which the student was reported as a completion point. Each Fund Type is included once in the count.

Performance Points are calculated based on weighting completion points, placement levels, and targeted student attributes. These attributes include: having a disability; participating in Welfare-to-Work programs; Workforce Incentive Act adults and older youths/dislocated workers programs http://www.floridajobs.org/awi_programs.html; receiving Temporary Assistance to Needy Families (TANF); Food Stamps or need based financial aid.
