Validated 2004-2005 Occupational Completion Points are included in the completion counts.

This table includes only completion points, not placements. Performance Points are calculated by weighting completion points, and targeted student attributes. These attributes include: having a disability; participating in Welfare-to-Work programs; Workforce Incentive Act adults and older youths/dislocated workers programs [http://www.floridajobs.org/awi\\_programs.html](http://www.floridajobs.org/awi_programs.html); receiving Temporary Assitance to Needy Families (TANF); Food Stamps or need based financial aid.
