

Academic Achievement

Standard: Academic Self-Management For Lifelong Learning

Competency: 1.2 Understand attitudes and behaviors related to academic achievement.

Lesson Topic: Subjects Matter

Grade Level: 4-5

Length: 1 class period

Materials:

Subjects Matter worksheet.

Evaluation:

Students will be able to describe school tasks that are similar to skills essential to job success.

Procedure:

1. Introduce the lesson by talking about things you learned in school and how they relate to your job.
2. Distribute the Subjects Matter worksheet and have the students complete the worksheet.
3. Have a class discussion on the results.
