

# Personal/Social Development

**Standard:** Self-Management and Responsible Behavior

**Competency:** 5.3 Develop awareness of personal safety skills.

**Lesson Topic:** Our School Helpers

**Grade Level:** K-3

**Length:** 2 class periods

## Materials

*"Our School Helpers"* worksheet.

## Evaluation

Students will identify, meet the resource people in the school, and learn how to seek their help.

## Procedure

1. The teacher leads a discussion about the people in their school who help them when needed. Discuss a few examples: principal, teachers, secretaries, lunchroom staff, custodian, nurse, counselors, etc.
2. Hand out the *"Our School Helpers"* worksheet and give directions.
3. When students have completed the worksheet, discuss their responses and the way each person helps.
4. Invite people from around the school to come into the classroom to introduce themselves and answer questions from the students.

## OUR SCHOOL HELPERS

List five people who help us at school:

On this side, tell how they help us:
