

Community Involvement

Standard: Community Involvement

Competency: 9.1 Demonstrate an awareness of school and community volunteer needs.

Lesson Topic: I Can Help

Grade Level: K-3

Length: 1 class period

Materials

"I Can Help" worksheet.

Evaluation

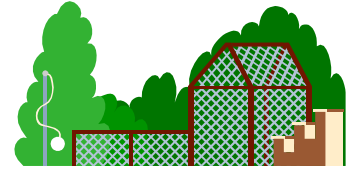

Students will become aware of ways they can volunteer in their community.

Procedure

1. The teacher leads a discussion on volunteering, what it means and how students can volunteer at home and in their neighborhood. Example: Neighborhood - pick up trash on the side of the street. Hospital - visit the sick. Home - read to a younger sibling.
2. The teacher hands out the *"I Can Help"* worksheet and asks students to draw a picture of themselves helping in each situation.

I CAN HELP

1. At the city park:

2. At the hospital:

3. At my school:
