

# MEASURE of Success

## *SPARC - School Counseling Program Accountability Report Card*

**School:** Bay Haven  
**Enrollment:** 565  
**Principal:** Roy Sprinkle  
**Counselor:** Susan Wilhelm

### **Results**

#### *Data after action plan:*

Results for predetermined 2<sup>nd</sup> & 3<sup>rd</sup> grade students were:

- 28 children improved the SRI lexile score by 150 points or more
- 9 children did not meet the goal

#### *Impact*

92% of 3<sup>rd</sup> graders tested at level 3 or above.

### **Principal's Comments**

This program helped Bay Haven show marked improvement in Reading. These are only the measurable results.

There are also the aspects of social interaction and self-esteem that were affected.

### **School Improvement Issues**

By 2008, 70% or more of students in each assessed group will demonstrate proficiency in reading with a score of level 3 or higher on FCAT.

### **Systemic Changes**

SRI allowed us to monitor progress for FCAT performance.

### **Stakeholders**

Guidance Counselor  
Teachers  
Administrator  
Students  
Technology Staff  
Student Services Staff  
Community Agencies

### **Faces Behind The data**

A 3<sup>rd</sup> grade boy loved his mentor. He said it was nice to have someone to listen to him and encourage him to read.
