*Federally defined as "...an adult instructional setting that features (1) extensive use of programmed instruction, (2) flexible participant scheduling and attendance, and (3) being open for extended periods of time and on a daily basis...". Due to Florida accountability data needs, one modification is required in the federal instructions regarding reporting of Learning Center data. In cases where a Learning Center is found in any of the other types of locations listed, participants should be counted as attending that other facility and not a Learning Center.

**Federally defined as "...adults who are required to attend or live in a community-based rehabilitation facility or halfway house."

***Federally defined as "...agencies established as nonprofit in accordance with Section 501(3)(c) of the Internal Revenue code."
