**PROPOSED BOARD ACTION**

**AUTHORITY FOR STATE BOARD ACTION**

Section 1008.22(12), Florida Statutes

**EXECUTIVE SUMMARY**

Section 1008.22(7), F.S., requires that the Commissioner publish a uniform calendar to its website each year that includes statewide assessment information for the following two years. Each school district will then be required to populate the template with district assessment information. It is therefore necessary to establish in rule the requirements for the template and the expectations for the Department and school districts for populating the calendar. The proposed rule develops specific requirements for the information to be included in each populated calendar and the methods for calculating total test time, as required by Section 1008.22(7)(b)9., F.S. The proposed rule further clarifies criteria for the posting of the populated calendar to school district websites, public school websites, and within each district's parent guide, as required by Section 1002.23(5), F.S.

6A-1.094224 Uniform Assessment Calendar

(1) The purpose of this rule is to establish the criteria for the format of the Uniform Assessment Calendar template, as required by Section 1008.22(7), F.S.

(2) By August 1 of each year, the Department shall populate the Uniform Assessment Calendar template for each statewide assessment required by Section 1008.22, F.S. The Commissioner shall publish the populated template on the Department website and provide it to school district superintendents.

(3) The Uniform Assessment Calendar template shall include the following information:

(a) A glossary including definitions of terminology related to required statewide assessments.

(b) An explanation of the assessment type (e.g., summative, diagnostic, screening), purpose/required use, and statutory authority/required use citation for each required assessment.

(c) A section for required statewide assessments and a section for statewide assessments that are applicable to select students. The Department shall populate these sections of the template with the following information:

1. Assessment name;

2. Students to be tested;

3. Statewide testing window;

4. Testing mode (e.g., paper-based or computer-based);

5. Testing time; and

6. Date results are expected to be reported to teachers, students, and parents.

(d) A section with blank spaces in which districts shall record the assessment name, students to be tested, district testing window, mode, testing time, and date results are expected to be reported to teachers, students, and parents for each required district assessment.

(e) A section to calculate estimates of total testing times by grade level. The Department shall populate this section of the template with estimates of total testing times by grade level for required statewide assessments.

(4) Each district shall:

(a) Populate the Uniform Assessment Calendar template with the following information:

1. The district shall add rows as necessary to the “Glossary of Assessment Terms” section of the calendar in order to provide definitions for terminology related to district-required assessments, if applicable. The district shall not alter statewide assessment glossary information.

2. The district shall add rows as necessary to the “Test, Type, and Purpose/Use” section of the calendar in order to indicate the assessment name, type (e.g., summative, diagnostic, screening), purpose/required use, and statutory authority/required use citation for each required district assessment. The district shall not alter statewide assessment information.

3. The window during which districts will administer statewide assessments required for all students as well as those required for select students. If the district is not administering a statewide assessment that is only required for select students, the district shall indicate as such on the calendar. The district shall not alter any other statewide assessment information.

4. The assessment name, students to be tested, district testing window, mode, testing time, and date results are expected to be reported to teachers, students, and parents for each required district assessment.

5. The district shall populate the “District Assessments” column in the “Total Testing Time by Grade Level” section of the calendar by using information from Section 5, “District-Required Assessment Information.” The district shall then calculate the “Approximate Total Testing Time (In Minutes)” column of the “Total Testing Time by Grade Level” section; this total testing time should be the sum of minutes entered in the “Statewide Assessments” and “District Assessments” columns by grade level.

a. For assessments administered over multiple days, the total minutes must be used (e.g., two 80-minute test sessions over two days should be entered as 160 minutes).

b. Subject-based assessments should be included with the grade level to which they are most likely to be administered (e.g., Biology 1 with grade 9).

(b) Upon district school board approval of the local assessment schedule, the district shall publish the populated Uniform Assessment Calendar on its website and submit it to the Department by October 1 of each year.

(c) Districts shall also provide the district-populated calendar to schools, and each school shall publish the calendar to its website and include it in the parent guide, required by Section 1002.23(5), F.S.

(5) The Uniform Assessment Calendar template, Form ARM 001, effective July 2016, (DOS link) is incorporated herein by reference and made part of this rule. Copies of the Uniform Assessment template may be obtained from the Office of Assessment, Division of Accountability Research and Measurement, Florida Department of Education, 325 West Gaines Street, Tallahassee, Florida, 32399-0400 or by e-mailing [assessments@fldoe.org](mailto:assessments@fldoe.org).

## Uniform Statewide Assessment Calendar

According to Section 1008.22(7)(c), Florida Statutes (F.S.), and State Board of Education Rule 6A-1.094224, Florida Administrative Code (F.A.C), each school district must complete this uniform calendar with district-required assessment information, publish the calendar to the district website, and provide it to the Department by October 1 of each school year, beginning in 2016–17. Districts must provide completed calendars to schools and include the calendar in their parent guides. In addition, each school must publish the completed calendar on its website.

The statewide assessment information in sections 3 and 4 should not be altered; however, districts may otherwise modify and populate this template to accurately indicate their assessment schedules for the school year.

### 1. Glossary of Assessment Terms

The following glossary includes definitions of assessment terms and explanations of acronyms used throughout this template. Districts may add rows as needed for additional glossary terms that are specific to district-required assessments. Do not modify any other information in this section.

### 3. Required Statewide Assessments

The following assessments are required for students as indicated in the Students to Be Tested column.

Populate the **District Window** column for each assessment in the table below. Do not modify any other information in this section. When calculating total test time in Section 6, do not include times for assessments indicated by grey rows, which indicate duplicate assessment windows (e.g., EOCs), assessments that take the place of another assessment, or assessments that do not have a specified testing time.

Assessment	Students to Be Tested	Statewide Window	District Window	Mode	Testing Time	Results Expected

<sup>1</sup> Paper-based accommodations (e.g., regular print, large print, braille, one-item-per-page) for computer-based tests are available to eligible students if indicated as an accommodation on an IEP or Section 504 plan.

<sup>2</sup> Any student taking an EOC assessment who has not completed the session by the end of the allotted time may continue working up to half the length of a typical school day.

### 4. Statewide Assessments for SELECT Students

The following assessments are only intended for selected students/students in certain sub-groups. Populate the **District Window** column for the assessments in the table below. If an assessment is not being administered in your district, indicate “N/A” in the District Window column. Do not modify any other information in this section.

Because the tests included in this section are not administered to all students or, in some cases, are optional for students, the testing time for these tests should not be included in the total testing time calculated in Section 6.

<sup>1</sup> Paper-based accommodations (e.g., regular print, large print, braille, one-item-per-page) for computer-based tests are available to eligible students if indicated as an accommodation on an IEP or Section 504 plan.

<sup>2</sup> Any student taking an ELA Retake or EOC assessment who has not completed the session by the end of the allotted time may continue working up to half the length of a typical school day.

<sup>3</sup> If indicated, “applicable students” relates to the sub-group(s) of students who *may* take that assessment; it does not indicate that all students throughout the state in that sub-group will take that assessment. Assessments for which no applicable student group is listed are available to students as needed but are not limited to any specific sub-group.

### 5. District-Required Assessment Information

Districts must provide completed calendars to schools and include the calendar in their parent guides. In addition, each school must publish the completed calendar on its website.

<sup>3</sup>If indicated, “applicable students” relates to the sub-group(s) of students who *may* take that assessment; it does not indicate that all students throughout the state in that sub-group will take that assessment. Assessments for which no applicable student group is listed are available to students as needed but are not limited to any specific sub-group.

The uniform calendar must be provided to school districts in an electronic format that allows each school district and public school to populate the calendar with, at minimum, the following information for reporting the district assessment schedules under paragraph (c):

1. Whether the assessment is a district-required assessment or a state-required assessment.
2. The specific date or dates that each assessment will be administered.
3. The time allotted to administer each assessment.

## **Section 1008.22(7)(b-c), Florida Statutes (cont.)**

4. Whether the assessment is a computer-based assessment or a paper-based assessment.
5. The grade level or subject area associated with the assessment.

Each school district shall publish the testing schedules on its website using the uniform calendar, including all information required under paragraph (b), and submit the schedules to the Department of Education by October 1 of each year. Each public school shall publish schedules for statewide, standardized assessments and district-required assessments on its website using the uniform calendar, including all information required under paragraph (b). The uniform calendar must be included in the parent guide required by s. [1002.23\(5\)](#).

## Rule 6A-1.094224, F.A.C.

- This Rule will establish requirements for the Department and districts for completion and submission of the Uniform Assessment Calendar

# Department Responsibilities

## Proposed Rule Language

- Department responsibilities:

(2) By August 1 of each year, the Department shall populate the Uniform Assessment Calendar template for each statewide assessment required by Section 1008.22, F.S. The Department shall post the populated template to the Department website and provide it to school district superintendents.

(3) The Uniform Assessment Calendar template shall include the following information:

(a) A glossary including definitions of terminology related to required statewide assessments.

(b) An explanation of the assessment type (e.g., summative, diagnostic, screening), purpose/required use, and statutory authority/required use citation for each required assessment.

## Proposed Rule Language

- Department responsibilities (cont.):
  - (3)(c) A section for required statewide assessments and a section for statewide assessments that are applicable to select students. The Department shall populate these sections of the template with the following information:
    1. Assessment name;
    2. Students to be tested;
    3. Statewide testing window;
    4. Testing mode (e.g., paper-based or computer-based);
    5. Testing time;
    6. Date results are expected to be reported to teachers, students, and parents.

## Proposed Rule Language

- Department responsibilities (cont.):

(3)(d) A section with blank spaces in which districts shall record the assessment name, students to be tested, district testing window, mode, testing time, and date results are expected to be reported to teachers, students, and parents for each required district assessment.

(e) A section to calculate estimates of total testing times by grade level. The Department shall populate this section of the template with estimates of total testing times by grade level for required statewide assessments.

FLORIDA DEPARTMENT OF  
**EDUCATION**  
fldoe.org

## District Responsibilities

## Proposed Rule Language

- District responsibilities:

(4) Each district shall:

(a) Populate the Uniform Assessment Calendar template with the following information:

1. The district shall add rows as necessary to the “Glossary of Assessment Terms” section of the calendar in order to provide definitions for terminology related to district-required assessments, if applicable. The district shall not alter statewide assessment glossary information.

2. The district shall add rows as necessary to the “Test, Type, and Purpose/Use” section of the calendar in order to indicate the assessment name, type (e.g., summative, diagnostic, screening), purpose/required use, and statutory authority/required use citation for each required district assessment. The district shall not alter statewide assessment information.

## Proposed Rule Language

- District responsibilities (cont.):

(4)(a)3. The window during which districts will administer statewide assessments required for all students as well as those required for select students. If the district is not administering a statewide assessment that is only required for select students, the district shall indicate as such on the calendar. The district shall not alter any other statewide assessment information.

4. The assessment name, students to be tested, district testing window, mode, testing time, and date results are expected to be reported to teachers, students, and parents for each required district assessment.

## Proposed Rule Language

- District responsibilities (cont.):

(4)(a)5. The district shall populate the “Total Testing Time by Grade Level” section of the calendar for required district assessments (Section 5). The district shall then calculate the approximate total testing time (in minutes); this should be the sum of minutes entered for statewide assessments and district assessments by grade level.

a. For assessments administered over multiple days, the total minutes must be used (e.g., two 80-minute test sessions over two days should be entered as 160 minutes).

b. Subject-based assessments should be included with the grade level to which they are most likely to be administered (e.g., Biology 1 with grade 9).

## Proposed Rule Language

- District responsibilities (cont.):

(4)(b) Upon district school board approval of the local assessment schedule, the district shall publish the populated Uniform Assessment Calendar on its website and submit it to the department by October 1 of each year.

(c) Districts shall also provide the district-populated calendar to schools, and each school shall publish the calendar to its website and include it in the parent guide, required by s. 1002.23(5), F.S.

## Section 3: Required Statewide Assessments

The following assessments are required for students as indicated in the Students to Be Tested column.

Populate the **District Window** column for each assessment in the table below. Do not modify any other information in this section. When calculating total test time in Section 6, do not include times for assessments indicated by grey rows, which indicate duplicate assessment windows (e.g., EOCs) assessments that take the place of another assessment, or assessments that do not have a specified testing time.

Assessment	Students to Be Tested	Statewide Window	District Window	Mode	Testing Time	Results Expected
FLKRS	Kindergarten	August–October, 2016		PBT	N/A – Classroom Observation During Instruction	One week after the final date of instruction
