MEMORANDUM 30-2022-10

TO: Florida College System Reports Coordinators
FROM: Kimberly Pippin
DATE: October 15, 2021
SUBJECT: 2021-22 Annual Personnel Reports (APR) Data Processing and Certification
DUE DATE: **Friday, November 5, 2021**

On Friday, October 15, 2021, the window opens for the Annual Personnel Reports (APR) data submissions for the 2021-22 reporting year. These data are used to populate the Integrated Postsecondary Data System (IPEDS).

The Bureau of Community College and Technical Center Management Information Systems (CCTCMIS) produces a verification report titled IPEDS Human Resources Survey to support colleges in verifying the accuracy of their data. This report is a mirror image of the report that colleges will receive from PK-20 Education Reporting and Accessibility (PERA) to populate the IPEDS data collection system. The APR submission file record format, verification report list and due dates are provided in the [2021-22 APR Data Dictionary](#).

All colleges must successfully submit and load APR data by the end of processing on Friday, November 5, 2021. The submission window closes by the end of processing on Friday, November 19, 2021. The scheduled daily processing times are documented within the [Data Submission Procedures](#).

The certification for this data submission is due Monday, November 22, 2021. Certification forms are available on the [CCTCMIS website](#) and should be submitted using the specified certification file name listed within the form. If this date proves problematic due to the holiday schedule, the certification would be due Friday, November 19, 2021.

If you have any questions, please email the following staff: [Kimberly Pippin](#), Data Processing Manager, or [Murray Cooper](#), Personnel Database Administrator.
