

## Fluency Recording Star

### Directions to Reader:

1. Choose a book that's not too hard, nor too easy, but just right.
2. Use a sound recording app to record yourself reading out of your book for one minute.
3. After reading, listen to the recording and rate yourself using the form below.
4. Set a goal for your next attempt, recording yourself reading a new text selection.
5. Do this activity often and your star power as a fluent reader will soar!

<b>Accuracy:</b> Did I read the words correctly?	  
<b>Rate:</b> Did I read at a natural speed (not too slow or too fast)?	  
<b>Expression:</b> Did I read with some personality and not like a robot?	  
<b>Punctuation:</b> Would a listener be able to tell I used the punctuation to guide my reading?	  

Check the goal you want to work on next go round:

- |   |   |   |
|---|---|---|
| <input type="checkbox"/> Read faster.         | <input type="checkbox"/> Read slower.               | <input type="checkbox"/> Pay closer attention to the punctuation. |
| <input type="checkbox"/> Make fewer mistakes. | <input type="checkbox"/> Read with more expression. |   |
