

_____ **County Virtual School Request for Technology**

According to Section 1002.45(3)(f), Florida Statutes, each virtual instruction program operated or contracted by a school district must provide, when appropriate, each household having a full-time student enrolled in the program with:

1. All equipment necessary for participants in the school district virtual program, including, but not limited to, a computer, computer monitor, and printer; and
2. Access to reimbursement for all Internet services necessary for online delivery of instruction.

Each school district is required to establish criteria to define “when appropriate” when developing its virtual instruction program. _____ County Schools has determined that in order to be eligible for a computer, computer monitor, printer and/or reimbursement for Internet services, a student must qualify for the federal free/reduced lunch program.

Households requesting the equipment and/or internet reimbursements must complete the information below and submit with registration materials.
