EXECUTIVE SUMMARY

This proposed rulemaking is the final portion of the Division of Blind Services effort to support the Department of Education's rule consolidation and repeal goal. Language related to the determination that client has been rehabilitated will be relocated from its current rule, 6A-18.053, F.A.C., to rule 6A-18.049, F.A.C., that provides a general description of the Division's program. The standards applied by the Division will remain the same but this will allow for the repeal of rule 6A-18.053, F.A.C.

Supporting Documentation Included: Proposed Rule 6A-18.049 and 6A-18.053, F.A.C.
