MEMORANDUM

TO: District School Superintendents

FROM: Pam Stewart 

DATE: April 6, 2018

SUBJECT: **Reallocation and Restoration Calculations for 2017-18 Class Size Operating Categorical**

The commissioner's alternate compliance calculation was adopted by the 2018 Florida Legislature with the enactment of chapter 2018-009, Laws of Florida (L.O.F.). Attached are the summaries of the final adjustments to class size operating categorical allocations required by section 1003.03(4), Florida Statutes (F.S.), as amended by section 94, chapter 2018-009, L.O.F., which will be reflected in the April 26, 2018, electronic funds transfers to school districts.

The adjustments include the reallocation and the restoration of class size operating funds. Pursuant to section 1003.03(4)(d), F.S., the reallocation to districts and charter schools that were in compliance with class size requirements was derived by multiplying up to 5 percent of the base student allocation by the total district full-time equivalent students, not to exceed 25 percent of the reduction. The remaining balance of the reduction funds was restored to districts and charter schools that were not in compliance with class size requirements and that submitted a certified plan by February 1, 2018, explaining the actions the district or charter school will take to ensure compliance by October 2018, pursuant to section 1003.03(4)(e), F.S.

If you have questions regarding this memorandum, please call Deputy Commissioner Linda Champion, Finance and Operations at 850-245-0406.
