2. Open phone line for stakeholder comment

April Rule Workshop

Rule Workshop held on April 9, 2021, regarding State Board of Education action to adopt:

- Revised Civics and Government standards
- Revised B.E.S.T. ELA standards (minor and technical)
- New Holocaust Education standards
- New Character Education standards
- New Access Points – Alternate Academic Achievement Standards for students with the most significant cognitive disabilities on the B.E.S.T. English Language Arts and Mathematics standards

Purpose and Effect

State Board of Education action to adopt:

- New Substance Use and Abuse Standards

Draft standards posted at:

<http://www.fldoe.org/standardsreview/>

Next Generation Sunshine State Standards

- Standards establish the content to be taught in the state and specify the content knowledge and skills that K-12 public school students are expected to acquire.
- Standards must be rigorous and relevant and provide for the logical, sequential progression of core curricular content that incrementally increases a student's core content knowledge and skills over time.

6A-1.09401, Florida Administrative Code

6A-1.09401 Student Performance Standards.

(1) Student Performance Standards in Florida are defined as the Next Generation Sunshine State Standards and establish the core content of the curricula to be taught and specify the core content knowledge and skills that K-12 public school students are expected to acquire. The Next Generation Sunshine State Standards are rigorous and reflect the knowledge and skills students need for success in college and careers. The standards and benchmarks describe what students should know and be able to do at grade level progression for kindergarten to grade 8 and in grade bands for grade levels 9-12. The access points contained in the Next Generation Sunshine State Standards provide access to the general education curriculum for students with significant cognitive disabilities. These standards, benchmarks, and access points are contained in the following publications which are hereby incorporated by reference and made a part of this rule.
