**Contractual Service Agreements**

Contractual Service Agreements must follow [Florida Statutes, Sections 215.422, 215.971, 216.347, 287.058, and 287.133; Rule 60A-1.017, Florida Administrative Code.](https://www.myfloridacfo.com) Applicants proposing fiscal/programmatic agreements should carefully review and follow the guidance of the State of Florida Contract and Grant User Guide, Chapter 3, Agreements at: https://www.myfloridacfo.com. All proposed contractual expenditures between the fiscal agent and subcontractors shall be accompanied by a formal, properly executed (agency head or designee’s signature, and subcontractor signature), clear and comprehensive agreement which provides the legal basis for enforcement before rendering any contractual services. Because the success of a program can be linked to the quality of the agreement, issuing a formal agreement including a detailed scope of work is critical.

**Conditions for Acceptance:**
The requirements listed below must be met for applications to be considered for review:

1. Application is received in the Office of Grants Management within the timeframe specified by the RFA.
2. Application includes required forms:
   a. Pathways to Career Opportunities Grant Workbook (Excel file)
   b. DOE-100A Project Application Form (Word file)
   c. General Assurances (if applicable)
   d. DOE-620 or DOE-610 Form (if applicable)
   e. Letters of Support (if applicable)
3. All required forms must have the assigned TAPS number included on the form.
4. All required forms have signatures by an authorized entity. The department will accept electronic signatures from the agency head in accordance with section 668.50(2)(h), Florida Statutes.
   - NOTE: Applications signed by officials other than the appropriate agency head identified above must have a letter signed by the agency head, or documentation citing action of the governing body delegating authority to the person to sign on behalf of said official. Attach the letter or documentation to the DOE-100A when the application is submitted.
   - An “electronic signature” means an electronic sound, symbol, or process attached to or logically associated with a record and executed or adopted by the person with the intent to sign the record (do not use signature password protections).
   - FDOE will accept as an electronic signature a scanned or PDF copy of a hardcopy signature.
   - FDOE will also accept a typed signature, if the document is uploaded by the individual signing the document.
5. Application must be submitted electronically to the Office of Grants Management in the designated email inbox: CTEGRANT@fldoe.org.

Method of Review:
- Request for Proposals (RFP) are due to FDOE (Office of Grants Management) no later than the close of business (5PM EDT) on the application due date Friday, July 15, 2022.
- A review committee process will be used to evaluate applications. Applications will be screened by FDOE program staff experts in the field of apprenticeship and preapprenticeship program knowledge to ensure conditions for acceptance in the RFP are addressed. Applications not meeting all pre-screen requirements will not be reviewed.
- Each application meeting the conditions for acceptance will be reviewed and scored by a team of qualified reviewers with apprenticeship/preapprenticeship experience.
- Applications with a final score of less than 75 points will not be eligible for funding.
- The applications will be ranked as determined by FDOE, with a preference and goal to identify at least one proposal for award per apprenticeship region. FDOE may award applicants out of rank order; however, FDOE reserves the authority to award other higher scoring applicants in rank order, notwithstanding this provision. Awards are subject to the availability of funds.
- FDOE staff will review recommended applications for compliance with the programmatic and fiscal policies associated with this competitive grant procurement.
- All awards are pending the Commissioner of Education’s final approval and the Commissioner may recommend an amount greater or less than the amount requested in the application.
- The Application Review Criteria and Checklist found in the Attachments section will also be used by FDOE staff to review applications.
